Bidding Procedures

Set forth below are the bidding procedures (the “**Bidding Procedures**”)¹ to be employed with respect to the sale (the “**Sale**”) of Chemtura Corporation’s (“**Chemtura**” or the “**Seller**”) ownership interests in (i) all of the issued and outstanding capital stock (the “**Shares**”) of Chemtura Vinyl Additives GmbH, a non-Debtor company organized in accordance with the laws of the Federal Republic of Germany (the “**Acquired Company**”) and (ii) certain assets (as defined in the Purchase Agreement, the “**Purchased Assets**”) relating to the design, manufacture, assembly, marketing, sale and distribution of tin and mixed metal stabilizers and related intermediaries organic based stabilizers, expoxidized soybean oil, liquids phosphate esters, chemical foaming agents and impact modifiers, as engaged in by the Seller at its Taft, Louisiana facility, and by the Acquired Company.

As contemplated by and incorporated in the *Order (A) Approving Bidding Procedures and Overbid Protections in Connection With the Sale of Chemtura Corporation’s Polyvinyl Chloride Additives Business And Related Assets, (B) Approving the Form and Manner of Notice and (C) Scheduling an Auction and Sale Hearing* (the “**Bidding Procedures Order**”), the Bidding Procedures provided herein shall be the exclusive mechanism governing the Sale.

I. Determining Potential Bidders

To participate in the bidding process and to receive non-public information concerning the Acquired Company and the Purchased Assets, each interested person or entity (other than the Purchaser) must deliver (unless previously delivered) to counsel to the Debtors, Kirkland & Ellis LLP, 601 Lexington Avenue, New York, New York 10022 (Attn: M. Natasha Labovitz, Esq.), counsel for the Official Committee of Unsecured Creditors (the “**Creditors’ Committee**”), Akin Gump Straus Hauer & Feld LLP, One Bryant Park, New York, New York, 10036, Attn: Philip C. Dublin, Esq., and proposed counsel to the statutory committee of equity security holders appointed in these chapter 11 cases, Skadden Arps Slate Meagher & Flom LLP & Affiliates, Four Times Square, New York, NY 10036, Attn: David M. Turetsky, Esq. (together with the Creditors’ Committee, the “**Committees**,” and collectively with counsel to the Debtors, the “**Bid Notice Parties**”) the following materials (the “**Potential Bid Package**”) on or before **February 9, 2010 at 4:00 p.m.** (prevailing Eastern Time) (the “**Bid Deadline**”):

A. Non-Binding Indication of Interest

An executed non-binding indication of interest, which shall include certain indicative information as set forth in a separate schedule to be provided by the Seller upon request.

¹ All capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Share and Asset Purchase Agreement, dated December 23, 2009 (the “**Purchase Agreement**”), by and between the Seller and SK Atlas, LLC and SK Capital Partners II, LP (SK Atlas, LLC and SK Capital Partners II, LP together, “**SK Capital**” or the “**Purchaser**”), which is publicly available as Exhibit 2 to the Bidding Procedures Order at www.kccllc.net/chemtura or upon request to Ignacio Buil Aldana, Kirkland & Ellis LLP, 601 Lexington Avenue, New York, NY 10022, Telephone: (212) 446-4778, email: ignacio.builaldana@kirkland.com.

B. Confidentiality Agreement

An executed confidentiality agreement in a form and substance reasonably acceptable to the Seller.

C. Evidence of Financial Bona Fides.

Evidence, including audited financial statements (or such other form of financial disclosure and credit-quality support or enhancement reasonably acceptable to the Seller), sufficient to establish the financial wherewithal of the interested party to complete the contemplated transactions and, to the extent the interested party will rely upon the financial wherewithal of an affiliate, bid partner or other sponsor (the “**Sponsor**”), evidence sufficient to establish the financial wherewithal and intent of the Sponsor to provide appropriate financial support.

II. Determination of Potential Bidders; Notification

A. Determination of Potential Bidders

The Seller shall determine, after consultation with the Committees, whether a party (other than the Purchaser) may participate in an auction (the “**Auction**”) (each such party, a “**Potential Bidder**”) based upon the Seller’s evaluation of the content of the Potential Bid Package submitted by such party as well as other commercial and competitive considerations.

B. Notification of Potential Bidders

Upon the determination by the Seller, after consultation with the Committees, that a party qualifies as a Potential Bidder, the Seller shall immediately notify the party in writing, with a copy to the Committees, and provide such Potential Bidder with access to (i) the same confidential evaluation materials and information provided by the Seller to each other Potential Bidder and (ii) such other financial information and other data related to the Seller, the Acquired Company and the Purchased Assets as the Potential Bidder may reasonably request, which requests may include reasonable access to the senior management of the Business and shall be deemed to include, in any event, the Seller’s good faith estimate of the potential Cure Costs associated with each Included Contract related to the Business, *provided, however*, that the Seller shall not be obligated to provide to any Potential Bidder more information or more extensive due diligence access than that provided to the Purchaser before Purchaser’s entry into the Purchase Agreement; and, *provided, further*, that the Seller shall not be required to provide to any Potential Bidder any information or due diligence access after the Bid Deadline.

III. Determining Qualified Bids and Qualified Bidders

A. Terms and Conditions of a Qualified Bid

In order to be deemed a “**Qualified Bid**” and for a Potential Bidder (other than the Purchaser) to be deemed a “**Qualified Bidder**”, each offer, solicitation or proposal (a “**Bid**”) from a Potential Bidder (other than the Purchaser) must be in writing and must:

- (i) state that the Potential Bidder offers to purchase all or substantially all of the Shares of the Acquired Company and the Purchased Assets upon terms and conditions substantially similar to, or more favorable to the Seller than, the Purchase Agreement or through an alternative structure on such different or additional terms as appropriate and desirable for that transaction structure;
- (ii) state that the Potential Bidder is prepared to enter into a legally binding purchase and sale agreement or similar agreement for the acquisition of the Shares of the Acquired Company and the Purchased Assets on terms and conditions no less favorable to the Seller than the terms and conditions contained in the Purchase Agreement (as determined by the Seller in its reasonable business judgment, in consultation with the Committees);
- (iii) be accompanied by a clean and duly executed modified Purchase Agreement and a marked modified Purchase Agreement reflecting the Potential Bidder's proposed variations from the Purchase Agreement;
- (iv) state that the Potential Bidder's offer is irrevocable until the closing of the Sale if such Potential Bidder is determined at the Auction to be the Successful Bidder or the Alternate Bidder (each as defined below);
- (v) contain such financial and other information that will allow the Seller, after consultation with the Committees, to make a reasonable determination as to the Potential Bidder's financial and other capabilities to consummate the transactions contemplated by the Sale, including, without limitation, financial and other information setting forth adequate assurance of future performance under section 365 of the Bankruptcy Code in form and substance as requested by the Seller;
- (vi) identify with particularity each and every executory contract as to which assumption and assignment to the Potential Bidder is a condition to closing under the proposed transaction;
- (vii) represent that the Potential Bidder will not request or assert entitlement to any transaction or break-up fee, expense reimbursement or similar type of payment;
- (viii) fully disclose the identity of any sponsor and each other entity that will be a purchaser of the Shares of the Acquired Company

and the Purchased Assets or otherwise participate in connection with such Bid, together with the complete terms of any such participation;

- (ix) be likely to result in a value to the Seller, in the Seller's reasonable judgment after consultation with its financial and legal advisors and the Committees, that is more than the sum of (i) the Breakup Fee in the amount of \$500,000, (ii) \$750,000 for Reimbursement and (iii) an initial bid increment of at least \$100,000 higher than the purchase price, as set forth in the Purchase Agreement;
- (x) be free from any due diligence or financing contingencies of any kind;
- (xi) include evidence of authorization and approval from the Potential Bidder's board of directors (or comparable governing body), as well as the board of directors or comparable governing body of any Sponsor or other bid participant, with respect to the submission, execution, delivery and closing of the Sale pursuant to the terms of the Purchase Agreement (as proposed to be modified by the Potential Bid);
- (xii) be accompanied by a deposit at least equal to the Deposit Amount contemplated by the Purchase Agreement (the "**Good Faith Deposit**"); and
- (xiii) be received by the Seller on or before the Bid Deadline of **February 16, 2009 at 4:00 p.m.** (prevailing Eastern Time).

FOR THE AVOIDANCE OF DOUBT, POTENTIAL BIDDERS SHOULD BE AWARE THAT ANY POTENTIAL BIDDER THAT DOES NOT SUBMIT A QUALIFIED BID BY THE BID DEADLINE WILL NOT BE ALLOWED TO (1) PARTICIPATE IN THE AUCTION UNDER ANY CIRCUMSTANCES OR (2) SUBMIT ANY OFFER AFTER THE BID DEADLINE OR AFTER THE AUCTION.

B. Qualified Bidders

1. Purchaser

Notwithstanding anything in these Bidding Procedures to the contrary, the Purchaser is deemed a Qualified Bidder, and the Purchaser's Bid shall be deemed a Qualified Bid for all applicable purposes under these Bidding Procedures with respect to the Sale, any Auction, or otherwise.

2. Other Potential Bidders

After the Seller has determined that a Bid satisfies each of the conditions set forth in

part III.A., above, the Seller shall notify promptly the Potential Bidder who submitted such Qualified Bid that it has been selected as a Qualified Bidder; provided, however, that the Seller reserves the right, after consultation with the Committees, to reject any Potential Bid (other than the Purchaser's offer pursuant to the Purchase Agreement) if the Seller determines that such Potential Bid is inadequate or insufficient or the Seller determines that such Potential Bid is not in conformity with the requirements of the Bankruptcy Code or any related rules or is otherwise contrary to the best interests of the Seller and its estate; provided, further, that the Seller reserves the right, after consultation with the Committees, to accept a Potential Bid as a Qualified Bid if the Seller determines that such Potential Bid substantially complies with the requirements set forth herein.

Promptly after determining that any Potential Bidder who has submitted a Bid does not appear to qualify as a Qualified Bidder, the Seller shall notify such Potential Bidder of this determination and in good faith seek to resolve any impediment to the Potential Bidder becoming a Qualified Bidder. Any party may seek the Court's review of the determination that a Potential Bidder is not a Qualified Bidder; provided, however, that any such challenge must be raised and concluded before the commencement of the Auction. The determination of the Qualified Bidders shall become irrevocable and unreviewable once the Auction has commenced.

3. Negotiation and Modification of Qualified Bids

Between the Bid Deadline and the Auction, the Seller may discuss, negotiate or seek clarification of any Qualified Bid from a Qualified Bidder. Without the written consent of the Seller a Qualified Bidder may not modify, amend or withdraw its Qualified Bid, except for proposed amendments to increase the purchase price or otherwise improve the terms of the Qualified Bid for the Seller, during the period that such Qualified Bid remains binding as specified herein; provided, however, that any Qualified Bid may be improved at the Auction as set forth herein.

4. Notice of the Auction

If the Bid Notice Parties receive a Qualified Bid in addition to the Purchaser's Bid, the Auction will be held on **February 22, 2010 at 9:00 a.m.** (prevailing Eastern Time) at the offices of Kirkland & Ellis LLP, 601 Lexington Avenue, New York, New York 10022, or at any such other location as the Seller may hereafter designate (with notice of such alternate location given to all Qualified Bidders). On or before **February 18, 2010 at 5:00 p.m.** (prevailing Eastern Time), the Seller shall provide each Qualified Bidder (including the Purchaser) and the Committees with the following:

- (i) written notice of the Auction; and
- (ii) a copy of the Qualified Bid the Seller has determined, after consultation with the Committees, constitutes the highest or otherwise best offer among the Qualified Bids and with which it intends to commence the Auction (the "**Pre-Auction Successful Bid**").

IV. The Auction

A. Attendance at and Participation in the Auction

In addition to the Debtors and its advisors, the only parties eligible to participate in the Auction shall be: (i) the Purchaser and its representatives and advisors; (ii) representatives and advisors of the Committees; (iii) representatives and advisors of the Debtors' postpetition secured lenders; (iv) those Qualified Bidders who have submitted a Qualified Bid to the Seller (as well as such Qualified Bidder's advisors and representatives); and (v) the United States Trustee for the Southern District of New York. The Purchaser and the Qualified Bidders shall appear in person at the Auction, or through a duly authorized representative. In addition, each Qualified Bidder shall be required to confirm that it has not engaged in any collusion with respect to the bidding or the Sale.

B. The Auction Process

The Auction shall be governed by the following procedures:

- (i) the Seller and its professionals shall direct and preside over the Auction;
- (ii) at the commencement of the Auction, the Seller shall announce and describe the terms of the Pre-Auction Successful Bid, as determined by the Seller, after consultation with the Committees;
- (iii) only the Purchaser and the Qualified Bidders shall be entitled to make any subsequent bids at the Auction;
- (iv) bidding shall commence at the amount of the Pre-Auction Successful Bid plus a minimum overbid increment of \$100,000 and shall continue with successive bids in minimum increments of \$50,000 over the immediately preceding bid (each such bid, an "**Overbid**"); *provided, however*, that the Seller shall retain the right, after consultation with the Committees, to modify the bid increment requirements at the Auction;
- (v) the Seller shall announce the material terms of each Overbid at the Auction, and shall disclose its valuation of the total consideration offered in each such Overbid (and the basis for its determination) in order to confirm that each Overbid meets the requisite bid increment and to provide a floor for further Overbids; and
- (vi) all Qualified Bidders shall have the right to submit additional Overbids and make additional modifications to the Purchase Agreement at the Auction, provided that each such Overbid must be made within a reasonable period of time, as determined by the Seller after consultation with the Committees, following the announcement of the immediately preceding Overbid.

V. Identification of the Successful Bidder and Acceptance of Successful Bid

A. Identification of the Successful Bidder and Alternate Bidder

At the close of the Auction, the Seller, in its sole discretion and in exercise of its business judgment after consultation with the Committees, shall identify which Qualified Bidder has (i) the highest or otherwise best bid (the “**Successful Bid**,” and such bidder, the “**Successful Bidder**”) and (ii) the next highest or otherwise best bid (the “**Alternate Bid**,” and such bidder, the “**Alternate Bidder**”), all of which will be determined by considering, among other things:

- (i) the number, type and nature of any changes to the Purchase Agreement requested by each Qualified Bidder and whether such Qualified Bid is on different terms than those set forth in the Purchase Agreement; it being understood that certain modifications (including those that (a) increase the certainty of closing without delay, (b) limit or eliminate seller indemnities, (c) limit or eliminate any restrictions of the sale proceeds and (d) increase certainty with respect to liquidated damages for a buyer breach) may be viewed as improving the value of a Bid;
- (ii) the extent to which any requested modifications to the Purchase Agreement are likely to delay the closing, and the likely cost to the Seller of any such modifications or delay;
- (iii) the total consideration to be received by the Seller under the terms of each Qualified Bid;
- (iv) each Qualified Bidder’s ability to timely close a transaction and make any deferred payments, if applicable; and
- (v) the net benefit to the Seller’s estate (taking into account, among other things, the requirement that the Seller is obligated to pay the Purchaser the amount of the Breakup Fee and the Reimbursement if the Purchaser is not the Successful Bidder) and the likely timing and amount of distributions to creditors resulting from each Bid.

In announcing the Successful Bid and the Alternate Bid, the Seller shall announce the material terms of each such Bid, the basis for determining the total consideration offered and the resulting calculated benefit of each such Bid to the Seller’s estate. After announcing the Successful Bidder and Alternate Bidder and after the Successful Bidder has submitted a fully executed Purchase Agreement memorializing the terms of the Successful Bid, the Seller shall declare the Auction closed. If no Auction is held, then the Bid of the Purchaser as represented by the Purchase Agreement shall be deemed to be the Successful Bid and the Purchaser shall be deemed to be the Successful Bidder and the Seller will proceed to effectuate the Sale as set forth in the Purchase Agreement.

B. Acceptance of Bid from Successful Bidder

The Seller presently intends to sell the Shares of the Acquired Company and the

Purchased Assets to the Successful Bidder, pursuant to the Purchase Agreement agreed to by the Seller and the Successful Bidder. The Seller shall be bound by the Successful Bid only when such Bid has been approved by the Court at the Sale Hearing.

Except as otherwise provided in the form of the Purchase Agreement agreed to by the Seller, after consultation with the Committees, and the Successful Bidder, and to the fullest extent permitted by the jurisdiction of the Bankruptcy Court, all of the Seller's right, title and interest in and to the Shares and the Purchased Assets shall be sold free and clear of all Claims other than the Assumed Liabilities, with such Claims attaching to the proceeds of the Shares of the Acquired Company and the Purchased Assets with the same validity and priority as the Claims had on the Shares of the Acquired Company the Purchased Assets immediately prior to their sale.

If, and solely to the extent that, the Purchaser shall become entitled to the Breakup Fee and the Reimbursement pursuant to Article VII of the Purchase Agreement, Seller shall pay the Breakup Fee and the Reimbursement in accordance therewith.

C. Sale Hearing

The hearing (the "**Sale Hearing**") on whether to grant the relief sought in the Sale Motion shall be held on **February 23, 2010 at 9:45 a.m.** (prevailing Eastern Time) or as soon thereafter as counsel may be heard, in the Courtroom of the Honorable Robert E. Gerber, and may be adjourned from time to time without further notice other than an announcement in open court at the Sale Hearing.

At the Sale Hearing, if no other Qualified Bid was received, the Seller will seek entry of an order, *inter alia*, authorizing and approving the sale of the Shares of the Acquired Company and the Purchased Assets to the Purchaser pursuant to the terms and conditions set forth in the Purchase Agreement, or, if a Qualified Bid other than the Qualified Bid of Purchaser as set forth in the Purchase Agreement was identified as the Successful Bid at the Auction, to the Successful Bidder pursuant to the form of the Purchase Agreement agreed to by the Seller.

VI. Second Highest or Best Bid

The Alternate Bidder will be required to keep the Alternate Bid open, binding and irrevocable until the closing of the Sale; provided, however, that in the event the Purchaser is the Alternate Bidder, then the Alternate Bidder shall be entitled to terminate the Purchase Agreement, and cease to keep the Alternate Bid open, binding and irrevocable, pursuant to the terms and conditions set forth in the Purchase Agreement. If for any reason the Successful Bidder fails to consummate the purchase of the Shares of the Acquired Company and the Purchased Assets within the time permitted in the Purchase Agreement, the Alternate Bidder will automatically be deemed to have submitted the highest or otherwise best bid and the Seller will be authorized, but not required, to consummate the Sale with the Alternate Bidder without further order of the Court. At the Sale Hearing, the Seller will seek approval to sell the Shares of the Acquired Company and the Purchased Assets to the Alternate Bidder on the terms of the Alternate Bid without further notice or order of the Court.

If the failure to consummate the Sale with the Successful Bidder is the result of a breach by such Bidder, the Seller specifically reserves the right to seek damages from such Successful Bidder and its Sponsors and other bid participants, if any.

VII. Treatment of Good Faith Deposit

Each Good Faith Deposit shall be held by the Seller and will be forfeited to the Seller if (a) the applicable Qualified Bidder attempts to modify, amend or withdraw its Bid, except for proposed amendments to increase the purchase price or otherwise improve the terms of the Bid for the Seller, during the time the Bid remains binding and irrevocable under these Bid Procedures, or (b) the Qualified Bidder is selected as the Successful Bidder or Alternate Bidder (except where the Seller determines not to consummate the Sale with the Alternate Bidder, after consultation with the Committees) and fails to consummate the purchase of the Shares of the Acquired Company and the Purchased Assets according to these Bid Procedures; *provided, however*, that the foregoing (a) and (b) shall in no way modify the Purchaser's right to the return of its deposit as contemplated by the Purchase Agreement, including, but not limited to, section 7.1(e) and section 7.2(c) of the Purchase Agreement. The Seller shall promptly return to the applicable Qualified Bidder any Good Faith Deposit accompanying (a) a Bid that the Seller determines not to be a Qualified Bid, (b) any Qualified Bid that the Seller does not select as the Successful Bid or Alternate Bid at the Auction and (c) any Alternate Bid, upon the closing of the Sale with the Successful Bidder.

VIII. Reservation of Rights; Deadline Extension

The Seller reserves its rights, after consultation with the Committees and in the exercise of its fiduciary obligations, to modify the Bidding Procedures or impose, at or before the Auction, additional customary terms and conditions on the sale of the Shares of the Acquired Company and the Purchased Assets, including, without limitation, extending the deadlines set forth in the Bidding Procedures, modifying bidding increments (provided, that there shall be no reduction of the Breakup Fee or the Reimbursement), adjourning the Auction at the Auction and/or adjourning the Sale Hearing in open court without further notice, withdrawing from the Auction any or all of the Shares of the Acquired Company and the Purchased Assets at any time prior to or during the Auction, or canceling the Auction, and rejecting all Qualified Bids if, in the Sellers' business judgment, after consultation with the Committees, no such bid is for a fair and adequate price.

SHARE AND ASSET PURCHASE AGREEMENT

This Share and Asset Purchase Agreement (the “Agreement”) is made as of December 23, 2009, by and among Chemtura Corporation, a Delaware corporation (the “Seller”), SK Atlas, LLC, a Delaware limited liability company (the “Purchaser”) and SK Capital Partners II, LP, a Delaware limited liability company (“SK”). Capitalized terms used in this Agreement shall have the meanings given to such terms in Article 1.

The Seller and the Acquired Company (as defined below) are engaged in the Business. This Agreement contemplates the sale and transfer to the Purchaser of certain of the assets and liabilities relating to the Business, including the shares of the capital stock of the Acquired Company.

(a) The consideration for the Purchased Assets and the Shares (the “Purchase Price”) consists of (a) two million fifty six thousand dollars (U.S. \$2,056,000) in cash (the “Initial Cash Consideration”), subject to adjustment in accordance with Section 2.6 (the Initial Cash Consideration, as adjusted, the “Final Cash Consideration”), (b) the Trade Accounts Payable Adjustment Payment, (c) the European Trade Accounts Payable Adjustment Payment, (d) the Shared Accounts Payable Adjustment Payment, (e) the Accrued Payroll and Benefits Adjustment Payment and (f) the assumption of the Assumed Liabilities, including the on-site environmental and pension Liabilities assumed pursuant to Section 2.3.

(b) The Initial Cash Consideration, the Trade Accounts Payable Adjustment Payment, the European Trade Accounts Payable Adjustment Payment, the Shared Accounts Payable Adjustment Payment and the Accrued Payroll and Benefits Adjustment Payment shall be paid as follows:

(i) within five (5) Business Days after the date hereof, in accordance with the deposit agreement (the form of which is attached as Exhibit A hereto, the “Deposit Agreement”), the Purchaser will deliver to Wells Fargo Bank, National Association, as deposit agent (the “Deposit Agent”), five hundred thousand dollars (U.S. \$500,000) (such amount, together with the interest and income thereon, the “Deposit Amount”), to be held in an interest-bearing account by the Deposit Agent and to be distributed in accordance with the terms of the Deposit Agreement;

(ii) at the Closing, the Purchaser shall pay, by wire transfer of immediately available funds in U.S. dollars, the Initial Cash Consideration, plus fifty percent (50%) of the aggregate amount of the Trade Accounts Payable Adjustment Payment and the Shared Accounts Payable Adjustment Payment, plus the Accrued Payroll and Benefits Adjustment Payment, plus any applicable Transfer Taxes imposed on, or required to be remitted by, the Seller or any applicable Subsidiary or Subsidiaries as a result of the transactions contemplated hereby, less the Deposit Amount, to an account or accounts designated by the Seller, such designation to be made in writing at least three (3) Business Days prior to the Closing Date;

(iv) on the Business Day following the 30th day following the Closing Date, the Purchaser shall pay, by wire transfer of immediately available funds in U.S. dollars, an amount equal to fifty percent (50%) of the aggregate amount of the Trade Accounts Payable Adjustment Payment, the European Trade Accounts Payable Adjustment Payment and the Shared Accounts Payable Adjustment Payment.

Section 2.6 Post-Closing Closing Net Working Capital Adjustment.

(a) Within ninety (90) days after the Closing Date, the Seller will prepare and deliver to the Purchaser a written notice (the “Adjustment Notice”) containing (i) the Seller’s calculation of the Closing Net Working Capital (the “Final Closing Net Working Capital”) and (ii) the Seller’s calculation of the amount of any payments required pursuant to Section 2.6(h) (the “Adjustment Calculation”). The Final Closing Net Working Capital and the Adjustment Calculation, if any, shall be set forth in U.S. dollars after any applicable portion thereof has been converted from euros at the euro foreign exchange reference rate published in the Wall Street Journal on the Closing Date. The Adjustment Notice will be prepared in accordance with the accounting methods and practices set forth in Schedule 2.6(a) (the “Calculation Principles”).

(b) The parties agree that, for purposes of calculating the Final Closing Net Working Capital, the value of the Inventory shall be capped at an amount (the “Inventory Cap”) equal to fifty million dollars (\$50,000,000); provided, however, that the Seller and the Purchaser shall negotiate in good faith prior to Closing to seek to agree a methodology for adjusting the Inventory Cap upwards or downwards, and to set forth such agreement on a Schedule 2.6(b), based on fluctuations in the prices of (i) the metal tin, as quoted on the London Metal Exchange, (ii) soy bean oil, as quoted on the Chicago Board of Trade, and (iii) Butadiene, as quoted from Chemical Market Associates, Inc. If prior to Closing Seller determines in good faith that it is in the interest of the Business to pre-buy raw materials for the manufacture of Inventory, Seller shall so notify Purchaser and Seller and Purchaser shall negotiate in good faith to increase the Inventory Cap as appropriate, to reflect the Closing Date impact of such pre-buy on the Closing Date Inventory. Any dispute relating to the new Inventory Cap shall be resolved in accordance with Section 2.6(f).

(c) During the preparation of the Adjustment Notice, the Purchaser will, and will cause each of its Affiliates to, (i) provide the Seller and the Seller’s representatives with full access to the books, records, facilities and employees of the Business, (ii) provide the Seller, within thirty (30) days after the Closing Date, with normal month-end closing financial information for the period ending as of the close of business on the Closing Date and (iii) reasonably cooperate with the Seller and the Seller’s representatives, including by providing on a timely basis all information reasonably necessary or useful in preparing the Adjustment Notice.

(d) Within forty-five (45) days after delivery of the Adjustment Notice, the Purchaser will either:

(i) agree in writing with the Adjustment Calculation, in which case such calculation will be final and binding on the parties for purposes of Section 2.6(h); or

(ii) dispute the Adjustment Calculation by delivering to the Seller a written notice (a “Dispute Notice”) setting forth in reasonable detail the basis for each such disputed item and certifying that all such disputed items are being disputed in good faith.

During the review of the Adjustment Notice, the Seller will, and will cause each of its Affiliates to, (i) provide the Purchaser and the Purchaser's representatives with full access to the supporting documentation used to prepare the Adjustment Notice, and (ii) reasonably cooperate with the Purchaser and the Purchaser's representatives, including by providing on a timely basis all information reasonably necessary or useful in reviewing the Adjustment Notice. For purposes of this Section 2.6(d), the Purchaser may not deliver a Dispute Notice unless the aggregate value of all such disputed items exceeds five hundred thousand dollars (\$500,000).

(e) If the Purchaser fails to take either of the foregoing actions within forty-five (45) days after delivery of the Adjustment Notice, and the Seller and each of its Affiliates have provided the Purchaser with all reasonably requested supporting documentation to review the Adjustment Notice within such forty-five (45) day period, then the Purchaser will be deemed to have irrevocably accepted the Adjustment Calculation, in which case, the Adjustment Calculation will be final and binding on the parties for purposes of Section 2.6(h).

(f) If the Purchaser timely delivers a Dispute Notice to the Seller, then the Purchaser and the Seller will attempt in good faith, for a period of thirty (30) days, to agree on the Adjustment Calculation for purposes of Section 2.6(h). Any resolution by the Purchaser and the Seller during such 30-day period as to any disputed items will be final and binding on the parties for purposes of Section 2.6(h). If the Purchaser and the Seller do not resolve all disputed items by the end of thirty (30) days after the date of delivery of the Dispute Notice, then the Purchaser and the Seller will submit the remaining items in dispute to Ernst & Young, LLP for resolution, or if that firm is unwilling or unable to serve, the Purchaser and the Seller will engage another mutually agreeable independent accounting firm of recognized national standing, which firm is not the regular auditing firm of the Purchaser or the Seller. If the Purchaser and the Seller are unable to jointly select such independent accounting firm within ten (10) days after such 30-day period, the Purchaser, on the one hand, and the Seller, on the other hand, will each select an independent accounting firm of recognized national standing and such selected accounting firms will select a third independent accounting firm of recognized national standing, which firm is not the regular auditing firm of the Purchaser or the Seller; provided, however, that if either the Purchaser, on the one hand, or the Seller, on the other hand, fail to select such independent accounting firm during this 10-day period, then the parties agree that the independent accounting firm selected by the other party will be the independent accounting firm selected by the parties for purposes of this Section 2.6 (such selected independent accounting firm, whether pursuant to this sentence or the preceding sentence, the "Independent Accounting Firm"). The Purchaser and the Seller will instruct the Independent Accounting Firm to render its determination with respect to the items in dispute in a written report that specifies the conclusions of the Independent Accounting Firm as to each item in dispute and the resulting Adjustment Calculation. The Purchaser and the Seller will each use their commercially reasonable efforts to cause the Independent Accounting Firm to render its determination within thirty (30) days after referral of the items to such firm or as soon thereafter as reasonably practicable. The Independent Accounting Firm's determination of the Adjustment Calculation as set forth in its report will be final and binding on the parties for purposes of Section 2.6(h). The Seller will revise the calculation of the Final Closing Net Working Capital as appropriate to reflect the resolution of the items in dispute pursuant to this Section 2.6(f). The fees and expenses of the Independent Accounting Firm will be shared by the Purchaser and the Seller in inverse proportion to the relative amounts of the disputed amount determined to be for the account of the Purchaser and the Seller, respectively.

(g) For purposes of complying with this Section 2.6, the Purchaser and the Seller (i) may mutually agree in writing to extend any time restriction set forth herein in ten (10) day increments, (ii) will furnish to each other and to the Independent Accounting Firm such work papers and other documents and information relating to the disputed items as the Independent Accounting Firm may request and are available to that party (or its independent public accountants) and (iii) will be afforded the opportunity to present to the Independent Accounting Firm any material related to the disputed items and to discuss the items with the Independent Accounting Firm.

(h) If the Final Closing Net Working Capital as finally determined pursuant to this Section 2.6 is less than Base Working Capital, then the Seller will pay to the Purchaser the amount of such difference in cash plus interest thereon (calculated based on the actual number of days elapsed in a year consisting of 365 days) from the Closing Date through and including the date of such payment at a rate of six percent (6%) per annum. If the Final Closing Net Working Capital as finally determined pursuant to this Section 2.6 is greater than the Base Working Capital, then the Purchaser will pay to the Seller the amount of such difference in cash plus interest thereon (calculated based on the actual number of days elapsed in a year consisting of 365 days) from the Closing Date through and including the date of such payment at a rate of six percent (6%) per annum. For purposes of clarity, a sample of the Final Closing Net Working Capital as of September 30, 2009, as determined in accordance with the Calculation Principles, is set forth in Schedule 2.6(h).

(i) Any payment to the Purchaser pursuant to Section 2.6(h) will be effected by wire transfer of immediately available funds from the Seller to an account designated by the Purchaser, and any payment to the Seller pursuant to Section 2.6(h) will be effected by wire transfer of immediately available funds to an account designated by the Seller. Such payments will be made within five (5) Business Days following the final determination of the Final Closing Net Working Capital in accordance with this Section 2.6.

(j) The purpose of this Section 2.6 is to determine the final consideration to be paid by the Purchaser under this Agreement. Any payment made pursuant to this Section 2.6 will be treated by the parties for all purposes as an adjustment to the consideration and will not be subject to offset for any reason.

Section 2.7 Allocation of Purchase Price.

(a) At least twenty (20) Business Days prior to the Closing, the Seller and the Purchaser shall have agreed to allocate the Initial Cash Consideration, the Trade Accounts Payable Adjustment Payment, the European Trade Accounts Payable Adjustment Payment, the Shared Accounts Payable Adjustment Payment and the Accrued Payroll and Benefits Adjustments Payment among the Shares on the one hand and the Purchased Assets on the other hand, and to set forth such allocation on a Schedule 2.7(a) (the “Initial Allocation Schedule”). The cash amounts allocated on Schedule 2.7(a) shall not be adjusted after the date thereof, except to take into account any adjustment to the Initial Cash Consideration in accordance with this Agreement. Prior to Closing and consistently with Schedule 2.7(a), the Seller and the Purchaser shall in good faith agree how to allocate the Initial Consideration (taking into account Assumed Liabilities to the extent they are included in the amount realized for income tax purposes) among the Shares and the Purchased Assets consistent with the principles set forth on Schedule 2.7(a), and such agreement shall be set forth on a schedule to be delivered at or prior to Closing (the “Closing Allocation Schedule”). The Purchaser shall initially propose the content of the Closing Allocation Schedule and if the Purchaser does so, such proposal shall be subject to the Seller’s review and reasonable objection, to be resolved by good-faith negotiations

between the Purchaser and the Seller. Except as otherwise required by Law or pursuant to a “determination” under Section 1313(a) of the Code (or any comparable provision of state, local or foreign Law), Purchaser and Seller agree to act, and to cause their Affiliates to act, in accordance with the allocations contained in the Closing Allocation Schedule, for all Tax purposes and that neither of them will (or will permit its Affiliates to) take any position inconsistent therewith in any Tax Returns or similar filings (including IRS Form 8594 or any similar form required to be filed under state, local or foreign Law), any refund claim, litigation, audit or otherwise. The Purchaser and the Seller each agree to provide the other party with any additional information reasonably required to complete and file IRS Form 8594 (or any similar form required to be filed under state, local or foreign Law) and with completed copies of such forms. Each party will, subject to confidentiality obligations, provide to the other party a copy of any appraisal obtained by such party in connection with the allocation under this Section 2.7. Where a confidentiality obligation would otherwise prohibit a party from so providing a copy of any such appraisal, such party shall use its commercially reasonable efforts to obtain a waiver of such confidentiality obligations.

Section 2.8 Closing. The closing of the transactions contemplated by this Agreement (the “Closing”) will take place at the offices of Baker & McKenzie LLP, 1114 Avenue of the Americas, New York, New York 10036, at 10:00 a.m., local time, on the last Business Day of the calendar month in which the later of the following occurs: (i) thirty (30) Business Days following the approval of the Approval Order or (ii) the date in which the last of the conditions set forth in Article 6 has been satisfied or waived (other than those conditions that by their nature can only be satisfied at the Closing), or at such other time and place as the Seller and the Purchaser may agree in writing. The date on which the Closing actually occurs is referred to in this Agreement as the “Closing Date.” For all purposes under this Agreement and each of the Ancillary Agreements, all matters at Closing will be considered to take place simultaneously, no delivery of any document will be deemed complete until all transactions and deliveries of documents are completed, and the Closing will be deemed to have occurred at 12:01 a.m., Eastern Standard Time, on the Closing Date irrespective of the actual occurrence of the Closing at any particular time on the Closing Date.

(d) All Purchased Assets currently located in Latin America (the “Latin American Purchased Assets”) shall be sold by the Seller or a Seller Affiliate to the Purchaser, except that if the Purchaser instead requests in writing that such Latin American Purchased Assets be assigned to a Purchaser Affiliate, the Seller shall transfer such assets to such Purchaser Affiliate at the Closing or as soon as practicable thereafter. The Purchaser shall take such steps as are necessary to be able to, or to cause a Purchaser Affiliate to be able to, take title to the Latin American Purchased Assets at, or as soon as practicable after, Closing. Section 3.4(a) of the Seller Disclosure Schedule includes an up-to-date excerpt from the commercial register and no material filings to the commercial register have been made, or should have been made, that have not been registered. The Shares represent all of the issued and outstanding shares of the capital stock of the Acquired Company. The Share Selling Affiliate is the sole record holder and beneficial owner of all of the Shares, free and clear of all Encumbrances, in the respective amounts set forth in Section 3.4(a) of the Seller Disclosure Schedule. Upon payment in full of the Purchase Price, good and valid title to the Shares will pass to the Purchaser (or its Designated Affiliate), free and clear of any Encumbrances, and with no restrictions on the voting rights or other incidents of record and beneficial ownership of such Shares. (b) The Acquired Company does not own or have any rights to acquire, directly or indirectly, any capital stock or other equity interests of any Person.

Section 3.9 Real Property.

(a) Section 3.9(a) of the Seller Disclosure Schedule sets forth an accurate and complete list (by street address and current owner) (i) of all real property in which the Acquired Company has fee title (or equivalent) interest (collectively, the "Acquired Company Real Property") and (ii) of all Owned Real Property. Section 3.9(a) of the Seller Disclosure Schedule includes up-to-date excerpts from the land register for each parcel of the Acquired Company Real Property. After giving effect to the entry of the Approval Order and subject to it becoming a Final Order, the current owner has good and marketable title in fee simple to each parcel of Acquired Company Real Property and each parcel of Owned Real Property, free and clear of any Encumbrance.

(b) The Seller has no leasehold interest in any real property related to the Business. All material obligations and conditions under the Leases to be performed to date by the Acquired Company and, to the Seller’s Knowledge, the landlords thereunder have been satisfied.

Neither the Seller nor the Acquired Company has subleased, licensed or otherwise granted to any Person the right to use or occupy any portion of the Real Property, and neither the Seller nor the Acquired Company has received notice, of any claim of any Person to the contrary.

(d) Use of the Real Property for the various purposes for which it is presently being used is permitted as of right under applicable zoning Laws and is not subject to “permitted non-conforming” use or structure classifications. Since the date of the Financial Statements, neither the Seller nor the Acquired Company has received written notification from any third party alleging that the Seller or Acquired Company infringes any Intellectual Property of such third party. Section 3.22 REACH. Section 3.22 of the Seller Disclosure Schedule sets forth a complete and accurate list of all of chemical substances that (a) the Seller in respect of the Business and (b) the Acquired Company, have pre-registered under Regulation (EC) 1907/2006 governing the registration of chemicals in the European Union (the "Regulation"). Each of the Seller and the Acquired Company has pre-registered by the due date any substance which is placed on the market in the European Union and comprises or is incorporated in products manufactured by the Business and which falls within the definition of a "phase in substance" under the Regulation.

Section 3.23 Disclaimer of Other Representations and Warranties. The representations and warranties set forth in this Article 3 are the only representations and warranties made by the Seller with respect to the Business, the Purchased Assets, the Assumed Liabilities, the Shares, the Acquired Company or any other matter relating to the transactions contemplated by this Agreement. Except as specifically set forth in this Article 3, (a) the Seller is selling the Purchased Assets and the Shares to the Purchaser "as is" and "where is" and with all faults, and makes no warranty, express or implied, as to any matter whatsoever relating to the Business, the Purchased Assets, the Assumed Liabilities, the Shares, the Acquired Company or any other matter relating to the transactions contemplated by this Agreement including as to (i) merchantability or fitness for any particular use or purpose, (ii) the operation of the Business by the Purchaser after the Closing in any manner or (iii) the probable success or profitability of the Business after the Closing, and (b) none of the Seller, the Acquired Company, any of their Affiliates, or any of their respective officers, directors, employees, agents, representatives or stockholders will have, or will be subject to, any Liability or indemnification obligation to the Purchaser or any other Person resulting from the distribution to the Purchaser or its Affiliates or representatives of, or the Purchaser's use of, any information relating to the Business, the

Acquired Company or any other matter relating to the transactions contemplated by this Agreement, including any descriptive memoranda, summary business descriptions or any information, documents or material made available to the Purchaser or its Affiliates or representatives, whether orally or in writing, in certain “data rooms,” management presentations, functional “break-out” discussions, responses to questions submitted on behalf of the Purchaser or in any other form in expectation of the transactions contemplated by this Agreement.

ARTICLE 4

REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser represents and warrants to the Seller as follows:

Section 4.1 Organization and Good Standing. The Purchaser and any Designated Affiliate is a corporation or other legal entity duly organized, validly existing and in good standing under the Laws of its jurisdiction of organization, and has all requisite corporate power and authority to conduct its business as it is presently conducted.

Section 4.2 Authority and Enforceability. The Purchaser has all requisite corporate power and authority to execute and deliver this Agreement and the Purchaser and any Designated Affiliate have all requisite corporate power and authority to execute and deliver each Ancillary Agreement to which it is a party and to perform its respective obligations under this Agreement and each such Ancillary Agreement. The execution, delivery and performance of this Agreement and each Ancillary Agreement to which the Purchaser and any Designated Affiliate is a party and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary action on the part of the Purchaser and such Designated Affiliate party thereto. The Purchaser has duly and validly executed and delivered this Agreement and, on or prior to the Closing, the Purchaser and any Designated Affiliate will have duly and validly executed and delivered each Ancillary Agreement to which it is a party. Assuming the due authorization, execution and delivery of this Agreement and the Ancillary Agreements by the Seller and the other parties thereto, this Agreement constitutes, and at the Closing each Ancillary Agreement to which the Purchaser or any Designated Affiliate is a party will constitute, the valid and binding obligation of the Purchaser and any Designated Affiliate, enforceable against the Purchaser and any Designated Affiliate in accordance with its terms, subject to (a) Laws of general application relating to bankruptcy, insolvency and the relief of debtors and (b) Laws governing specific performance, injunctive relief and other equitable remedies.

Section 4.3 No Conflict. Upon entry of the Approval Order and subject to it becoming a Final Order, except for the requirements of applicable Antitrust Laws, and except in any case that would not have a material adverse effect on the ability of the Purchaser to perform its obligations under this Agreement or on the ability of the Purchaser to consummate the transactions contemplated by this Agreement, neither the execution, delivery and performance by the Purchaser of this Agreement and by the Purchaser or any Designated Affiliate of any Ancillary Agreement to which the Purchaser or any Designated Affiliate is a party, nor the consummation by the Purchaser or any Designated Affiliate of the transactions contemplated by this Agreement, will (a) conflict with or violate the certificate of incorporation, bylaws or other applicable charter or organizational documents of the Purchaser or any Designated Affiliate, (b) result in a breach or default under or create in any Person the right to terminate, cancel, accelerate or modify, or require any notice, consent or waiver under, any Contract to which the Purchaser or any Designated Affiliate is a party or by which the Purchaser or any Designated Affiliate is bound, in any case with or without due notice or lapse of time or both, (c) result in the imposition of any lien or other encumbrance on any of the assets of the Purchaser or any Designated Affiliate, (d) violate any Law or Judgment applicable to the Purchaser or any Designated Affiliate

or (e) require the Purchaser or any Designated Affiliate to obtain any Governmental Authorization or make any filing with any Governmental Authority.

Section 4.4 Legal Proceedings. There is no Proceeding pending or, to the Purchaser's knowledge, threatened against the Purchaser or any Designated Affiliate that questions or challenges the validity of this Agreement or that may prevent, delay, make illegal or otherwise interfere with the ability of the Purchaser or any Designated Affiliate to consummate any of the transactions contemplated by this Agreement.

Section 4.5 Investment Intent. The Purchaser and any Designated Affiliate are acquiring the Shares for the Purchaser's and the Designated Affiliate's own account and investment purposes and are not acquiring the Shares with a view to, or for sale in connection with, any distribution thereof within the meaning of any securities Laws.

Section 4.6 Brokers Fees. Neither the Purchaser nor any Designated Affiliate nor any Person acting on their behalf has incurred any Liability to pay any fees or commissions to any broker, finder or agent in connection with any of the transactions contemplated by this Agreement.

Section 4.7 Financial Capacity. The Purchaser has immediately available cash in an amount sufficient to pay the Purchase Price or, if some or all of the Purchase Price will be obtained from external financing sources, the Purchaser has delivered to the Seller executed commitments, including bridge commitments (collectively, the "Commitment Letters"), if necessary, for all such funds, in form and substance satisfactory to the Seller, and the Purchaser will have available as of the Closing Date (either from its immediately available cash or from the financing contemplated by the Commitment Letters, or a combination thereof) funds sufficient to pay the Purchase Price. The Purchaser knows of no circumstance or condition that it expects will prevent the availability at the Closing of the requisite financing to consummate the transactions contemplated by this Agreement on the terms set forth in this Agreement.

Section 4.8 Independent Investigation. The Purchaser has conducted its own independent investigation, review and analysis of the business, operations, assets, liabilities, results of operations, financial condition and prospects of the Business and the Acquired Company as it has deemed appropriate, which investigation, review and analysis was done by the Purchaser and its Affiliates and representatives. The Purchaser hereby acknowledges and agrees that (a) other than the representations and warranties set forth in Article 3, none of the Seller, the Share Selling Affiliate, the Acquired Company, any of their Affiliates, or any of their respective officers, directors, employees, agents, representatives or stockholders make or have made any representation or warranty, express or implied, at law or in equity, as to any matter whatsoever relating to the Business, the Purchased Assets, the Assumed Liabilities, the Shares, the Acquired Company or any other matter relating to the transactions contemplated by this Agreement including as to (i) merchantability or fitness for any particular use or purpose, (ii) the operation of the Business by the Purchaser after the Closing in any manner or (iii) the probable success or profitability of the Business after the Closing, and (b) none of the Seller, the Share Selling Affiliate, the Acquired Company, any of their Affiliates, or any of their respective officers, directors, employees, agents, representatives or stockholders will have or will be subject to any Liability or indemnification obligation to the Purchaser or any other Person resulting from the distribution to the Purchaser or its Affiliates or representatives of, or the Purchaser's use of, any information relating to the Business, the Acquired Company or any other matter relating to the transactions contemplated by this Agreement, including any descriptive memoranda, summary business descriptions or any information, documents or material made available to the Purchaser or its Affiliates or representatives, whether orally or in writing, in certain "data rooms," management presentations, functional "break-out" discussions, responses to questions submitted

on behalf of the Purchaser or in any other form in expectation of the transactions contemplated by this Agreement.

ARTICLE 5 COVENANTS

Section 5.1 Access and Investigation.

(a) Until the Closing and upon reasonable advance notice from the Purchaser, the Seller will, and will cause the Acquired Company to, allow the Purchaser and its representatives reasonable access during normal business hours and without unreasonable interference with the operation of the Business to (a) such materials and information about the Business and the properties of the Business and the Acquired Company as the Purchaser may reasonably request and (b) specified members of management of the Business as the parties may reasonably agree. The foregoing covenant will not require the Seller to provide the Purchaser or its representatives with access to any document or other communication that the Seller believes in good faith may be subject to any contractual confidentiality obligation or that may be covered by any attorney-client, work product or similar legal privilege or to permit the Purchaser or its representatives to conduct any Phase II or other invasive environmental testing procedures, including conducting soil, ground water, air emissions or other testing relating to any of the assets, property or facilities of the Seller or the Acquired Company.

(b) Without the prior written consent of the Seller, which may be withheld for any reason or no reason, the Purchaser shall not contact any suppliers to, or customers of, the Business or any Employees or Acquired Company Employees in connection with or pertaining to any subject matter of this Agreement or the Ancillary Agreements.

Section 5.2 Operation of the Business.

Unless otherwise ordered by the Bankruptcy Court sua sponte or on motion by a third party, and provided that no provision of this Section 5.2 shall require the Seller to make any payment to any of its creditors with respect to any amount owed to such creditors on the Petition Date or which would otherwise violate the Bankruptcy Code, until the Closing, except as otherwise set forth in this Agreement or the Seller Disclosure Schedule or as otherwise consented to by the Purchaser (which consent will not be unreasonably withheld, conditioned or delayed), the Seller will, and will cause the Acquired Company to:

(a) conduct the Business in the ordinary course of the Business in all material respects, taking into account that the Seller is in bankruptcy proceedings and use its commercially reasonable efforts to keep available the services of the Employees and Acquired Company Employees and to preserve the Business' relationships with its customers and others doing business with it;

(b) not amend the articles of incorporation or bylaws or other applicable charter or organizational documents of the Acquired Company;

(c) not issue, sell or pledge additional shares of the capital stock of the Acquired Company or securities convertible into any such shares, or any options, warrants or rights to acquire any such shares or other convertible securities;

(d) not purchase, redeem or otherwise acquire any outstanding shares of the capital stock of the Acquired Company;

(e) not declare, set aside or pay any dividend or other distribution in respect of the capital stock of the Acquired Company, other than in cash;

(f) not incur any indebtedness for borrowed money of the Acquired Company or that constitutes an Assumed Liability, in either case in amounts in excess of one hundred thousand (\$100,000) individually or five hundred thousand (\$500,000) in the aggregate;

(g) not reject, terminate, permit to expire (to the extent the Seller is able to prevent such expiration by giving notice to renew to the relevant counterparty) or adversely amend any Material Contract;

(h) not settle or compromise with a value in excess of one hundred thousand (\$100,000) in connection with any Proceeding involving the Seller or arising in connection with the operation of the Business or otherwise relating to the Business, the Purchased Assets or the Assumed Liabilities;

(i) except as set forth on Schedule 5.2(i), not incur any capital expenditure or other expenditure with respect to property, plant or equipment used in or held for use in connection with, necessary for or relating to the Business in excess of two hundred and fifty thousand (\$250,000) individually or one million (\$1,000,000) in the aggregate;

(j) not waive or release any right or claim of a material value to the Business other than in the ordinary course of the Business;

(k) not sell, lease, license, pledge or otherwise dispose of, or permit any Encumbrance on, any of the properties or assets of the Acquired Company or the Seller used or held for use in connection with, necessary for or relating to the Business (other than sales of inventory for fair consideration and in the ordinary course of the Business);

(l) not (i) acquire, by merger or consolidation with, or by purchase of all or a substantial portion of the assets or stock of, or by any other manner, any business or entity, by the Acquired Company or which would constitute a Purchased Asset or Assumed Liability, or (ii) enter into any joint venture, partnership or other similar arrangement for the conduct of the Business;

(m) not materially change the remuneration or terms of employment of any Employee or Acquired Company Employee other than (A) in the ordinary course of the Business, (B) as required by Law or (C) for retention, incentive and similar payments relating to the consummation of the transactions contemplated by this Agreement that will be paid by the Seller prior to or on the Closing Date;

(n) not make, revoke or change any Tax election, adopt or change any Tax accounting method or period, file any amended Tax Return or settle any Tax claim or assessment, in each case with respect to the Acquired Company or the Business, that, individually or in the aggregate, are material to the Acquired Company or the Business;

(o) not change the Seller's accounting principles, methods or practices or investment practices in connection with or relating to the Business, other than changes that are necessary to conform with GAAP or, in the case of the Acquired Company, German generally accepted accounting principles;

(p) not take any action to accelerate the payment of accounts receivable or delay the billing or payment of accounts payable, outside of the ordinary course of business consistent with past practice;

(q) not effect any material change in the practices of (i) ordering supplies and raw materials or (ii) manufacturing work in process or finished goods Inventory beyond the normal requirements of the Business to meet ordinary customer demands taking into account current Inventory levels for such product; provided, however,

that if the Seller determines in good faith that it is in the best interest of the Business to make such change prior to the Closing, the Seller shall so notify the Purchaser in writing prior to making such change and the Purchaser shall not unreasonably withhold or delay its consent for these purposes; or

(r) not agree in writing to take any of the action or actions prohibited by any of the foregoing clauses (b) through (q).

Section 5.3 Bankruptcy Actions.

(a) Prior to or within five (5) Business Days after the execution of this Agreement, the Seller shall file with the Bankruptcy Court a motion (the “Sale Motion”) seeking, among other things, entry of (i) an order approving (A) the bidding protections described and/or set forth in Section 7.2 of this Agreement or otherwise set forth in the Sale Motion, and (B) certain bidding procedures for alternative offers for the Shares and Purchased Assets, which proposed order shall be substantially in the form of Exhibit K hereto (the “Bidding Procedures Order”), and (ii) an order approving this Agreement and the transactions contemplated thereby (including the sale of the Purchased Assets to the Purchaser free and clear of all Encumbrances) should the purchase offer made by this Agreement constitute the highest and best offer for the Shares and Purchased Assets pursuant to the Bidding Procedures Order, which order shall be substantially in the form of Exhibit L hereto (the “Approval Order”); *provided, however*, that the Bidding Procedures Order and the Approval Order may include changes and amendments as agreed to by the Seller and the Purchaser.

(b) The Seller shall provide Purchaser with advance drafts of all Bankruptcy Court filings relating to the Sale Motion and shall comply with the notice requirements set forth in the Bidding Procedures Order for providing notice of the entry of the Bidding Procedures Order and the hearing on the Approval Order. The Seller shall promptly provide the Purchaser with copies of all communications from the Bankruptcy Court or third parties relating to the Sale Motion..

(c) The Purchaser shall use its reasonable best efforts to assist the Seller in obtaining entry of the Bankruptcy Court Orders, including providing testimony as required at any hearing before the Bankruptcy Court.

Section 5.4 Exclusivity; No Solicitation of Transactions.

(a) The Seller represents that, other than the transactions contemplated by this Agreement, neither the Seller nor any of its Affiliates is party to or bound by any agreement with respect to a possible merger, sale, restructuring, refinancing or other disposition of all or any material part of the Business or the Purchased Assets or the Shares.

(b) Prior to the entry of the Bidding Procedures Order on the Bankruptcy Courts docket, the Seller agrees that it shall not (i) execute an agreement with respect to an Alternative Transaction or (ii) except as provided in this Agreement, seek or support Bankruptcy Court approval of a motion or order inconsistent in any material respect with the transactions contemplated in this Agreement. The Seller agrees that it shall not, and shall cause its Affiliates not to, directly or indirectly, through any officer director, employee, agent, professional or advisor, solicit any bid with respect to an Alternative Transaction or participate in any negotiations or discussions with respect to any Alternative Transaction except as contemplated by the Bidding Procedures Order; provided, however, that nothing herein shall preclude the Seller from taking any action in the Case seeking to sell, pursuant to the process contemplated by the Bidding Procedures Order, the Purchased Assets.

(c) Purchaser acknowledges that the Seller will solicit bids from other prospective purchasers for the sale of the Purchased Assets, on terms and conditions substantially the same in all respects to this Agreement and in accordance with the procedures set forth in the proposed Bidding Procedures Order prior to entry thereof on the Bankruptcy Court's docket, or pursuant to the Bidding Procedures Order after entry thereof on the Bankruptcy Court's docket. For the avoidance of doubt, prior to the entry of the Bidding Procedures Order on the Bankruptcy Court's docket, the Seller shall not execute an agreement with respect to an Alternative Transaction.

Section 5.5 Consents and Filings.

(a) Subject to the terms and conditions of this Agreement, and except with respect to approval by the Bankruptcy Court, each of the parties will use their respective commercially reasonable efforts (i) to take promptly, or cause to be taken, all actions, and to do promptly, or cause to be done, all things necessary, proper or advisable to consummate and make effective the transactions contemplated by this Agreement and (ii) as promptly as practicable after the date of this Agreement, to obtain all Governmental Authorizations (including Environmental Authorizations) from, and make all filings with, all Governmental Authorities (including any other national antitrust authorities with mandatory pre-merger filing requirements that are deemed by the Seller and the Purchaser, after consulting with one another, to be applicable to the transactions contemplated by this Agreement (each "Governmental Antitrust Authority")), and to obtain all other consents, waivers, approvals and other authorizations from, all other third parties, that are necessary or advisable in connection with the authorization, execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement.

(b) The Seller and the Purchaser agree to file with the applicable Governmental Antitrust Authority, as soon as reasonably practicable following the date of this Agreement, any filings or similar information submissions required under applicable antitrust or other competition Laws of jurisdictions outside of the United States of America, including the Federal Republic of Germany. Notwithstanding the foregoing, the Purchaser will be solely responsible for all filing fees due under the HSR Act and any non-US applicable Laws in connection with the filings described above and neither the Seller nor any of its Affiliates will have any Liability with respect to the payment of such filing fees.

(c) The Seller and the Purchaser will promptly notify the other of any communication it or any of its Affiliates receives from any Governmental Antitrust Authority relating to the transactions contemplated by this Agreement, and will permit the other party to review in advance any proposed communication by such party to any Governmental Antitrust Authority. Neither party will agree to participate in any meeting with any Governmental Antitrust Authority in respect of any filings, investigation or other inquiry unless it consults with the other party in advance and, to the extent permitted by such Governmental Antitrust Authority, gives the other party the opportunity to attend and participate at such meeting. The Seller and the Purchaser will coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other party may reasonably request in connection with the foregoing and in seeking early termination of any applicable waiting periods including under the HSR Act. The Seller and the Purchaser will provide each other with copies of all correspondence, filings or communications between them or any of their representatives, on the one hand, and any Governmental Antitrust Authority or members of its staff, on the other hand, with respect to this Agreement and the transactions contemplated by this Agreement.

Section 5.6 Supplements to Disclosure Schedules. The Seller shall promptly, from time to time prior to the Closing by written notice to the Purchaser, supplement the Seller Disclosure Schedule or add a schedule to the Seller Disclosure Schedule (such added schedule to be deemed a supplement hereunder) in order to disclose any matter which, if occurring prior to the date of this Agreement, would have been required to be set forth or described in the Seller Disclosure Schedule or to correct any inaccuracy or breach in the representations and warranties made by the Seller in this Agreement. Subject to this Section 5.6, none of such supplements to the Seller Disclosure Schedule will be deemed to cure the representations and warranties to which such matters relate with respect to satisfaction of the conditions set forth in Section 6.1(a) or otherwise affect any other term or condition contained in this Agreement; provided, however, that unless the Purchaser will have delivered a notice of termination with respect to such matter as contemplated by Section 7.1(b) (to the extent the Purchaser is entitled to deliver such notice pursuant to Section 7.1(b)) within fifteen (15) Business Days of the receipt by the Purchaser of any supplement to the Seller Disclosure Schedule pursuant to this Section 5.6, then the Purchaser will have waived any and all rights to terminate this Agreement pursuant to Section 7.1(b) or otherwise arising out of or relating to the contents of such supplement and the resulting breach or breaches of the representations and warranties and the Purchaser will be deemed to have accepted the contents of such supplement for all purposes of this Agreement.

Section 5.7 Assignment of Contracts; Cure of Defaults.

(a) The Seller and the Purchaser shall use commercially reasonable efforts to have included in the Approval Order an authorization for the Seller to assume the Included Contracts and assign to the Purchaser all Included Contracts.

(b) Subject to entry of the Approval Order and it becoming a Final Order, at the Closing the Purchaser shall at its expense cure any and all Cure Costs with respect to the Included Contracts that will be transferred to the Purchaser at Closing as and in the amounts required by the Bankruptcy Court to assume and assign the Included Contracts under Section 365 of the Bankruptcy Code; provided, however, that, notwithstanding the foregoing, the Purchaser shall be responsible for such cure whether such defaults occur or arise prior to or after commencement of the Case.

Section 5.8 Financing. Notwithstanding anything contained in this Agreement to the contrary, the Purchaser expressly acknowledges and agrees that the Purchaser's obligations under this Agreement are not conditioned in any manner whatsoever upon the Purchaser or any Designated Affiliate obtaining any financing. The Purchaser will keep the Seller apprised of all developments or changes relating to the financing contemplated by the Commitment Letters. In the event that the Commitment Letters cease to be in full force and effect at any time or the lenders party thereto indicate any unwillingness to provide the financing contemplated thereby, or for any reason the Purchaser otherwise no longer believes in good faith that it or any Designated Affiliate will be able to obtain the financing contemplated thereby, then the Purchaser will promptly notify the Seller and use best efforts to obtain replacement financing arrangements or commitment letters as soon as reasonably practicable. The Purchaser will not, and will not permit any of its Subsidiaries or Affiliates to, without the prior written consent of the Seller, take any action or enter into any transaction, including any merger, acquisition, joint venture, lease or other Contract or debt or equity financing that would reasonably be expected to impair, delay or prevent the financing contemplated by the Commitment Letters.

Section 5.9 Confidentiality.

(a) The parties agree to continue to abide by that certain Confidentiality Agreement between the Seller and the Purchaser dated August 12, 2009 (the "Confidentiality Agreement"), which will survive until the Closing, at which time the

Confidentiality Agreement will terminate; provided, however, that if this Agreement is, for any reason, terminated prior to the Closing, the Confidentiality Agreement will continue in full force and effect in accordance with its terms; provided, further, that the Confidentiality Agreement shall not apply to the Seller's obligations under Section 5.3 of this Agreement and any ancillary actions necessary to effectuate the transaction contemplated in this Agreement.

(b) After the Closing, the Seller will, and will cause its Affiliates to, hold in confidence, unless compelled to disclose by judicial or administrative process or by other requirements of Law, all non-public documents and information to the extent relating to the Business (the "Business Information"), except to the extent that such Business Information (i) must be disclosed in connection with the obligations of the Seller or its Affiliates pursuant to this Agreement and the Ancillary Agreements, (ii) can be shown to have been in the public domain through no fault of the Seller or any of its Affiliates or (iii) was later lawfully acquired by the Seller or any of its Affiliates from sources other than those related to its prior ownership of the Business. Notwithstanding the foregoing, in no event will this Section 5.9(b) limit or otherwise restrict the right of the Seller or any of its Affiliates to disclose such Business Information (w) to its and its Affiliates' respective directors, officers, employees, agents and advisors to the extent reasonably required to facilitate the negotiation, execution, delivery or performance of this Agreement and the Ancillary Agreements, (x) to any Governmental Authority or arbitrator to the extent reasonably required in connection with any Proceeding, (y) in connection with its indemnification obligations under this Agreement, including the defense of any Third Party Claim, and (z) as permitted in accordance with Section 5.10.

(c) After the Closing, the Purchaser will, and will cause its Affiliates to, hold in confidence, unless compelled to disclose by judicial or administrative process or by other requirements of Law, all Seller Information, except to the extent that such Seller Information (i) must be disclosed in connection with the obligations of the Purchaser or its Affiliates pursuant to this Agreement and the Ancillary Agreements, (ii) can be shown to have been in the public domain through no fault of the Purchaser or any of its Affiliates or (iii) was later lawfully acquired by the Purchaser or any of its Affiliates from sources other than those related to the transactions contemplated by this Agreement. Notwithstanding the foregoing, in no event will this Section 5.9(c) limit or otherwise restrict the right of the Purchaser or any of its Affiliates to disclose such Seller Information (w) to its and its Affiliates' respective directors, officers, employees, agents and advisors to the extent reasonably required to facilitate the negotiation, execution, delivery or performance of this Agreement and the Ancillary Agreements, (x) to any Governmental Authority or arbitrator to the extent reasonably required in connection with any Proceeding, (y) in connection with its indemnification obligations under this Agreement, including the defense of any Third Party Claim, and (z) as permitted in accordance with Section 5.10.

Section 5.10 Public Announcements. Prior to the Closing, each party agrees not to issue any press release or make any other public announcement relating to this Agreement without the prior written approval of the other party, unless required by applicable securities Law, securities listing standards (in the reasonable opinion of counsel to the disclosing party), the applicable provisions of the Bankruptcy Code, or the Bankruptcy Court, in which case the non-disclosing party will, to the extent permitted by Law, have the right to review such press release or other announcement prior to issuance, distribution or publication; *provided, however*, that each party acknowledges that the Seller shall take the bankruptcy actions described in Section 5.3; *provided, further*, that the parties have agreed that the Seller shall be entitled to issue a press release on signing of this Agreement in a form that has been reviewed by the Purchaser prior to

the date hereof. Notwithstanding the foregoing, the Seller shall be entitled to issue communications to its employees (including the employees of the Business) and to customers and suppliers of the Business, informing them of the transaction contemplated by this Agreement.

Section 5.11 Further Actions. Subject to the other express provisions of this Agreement, upon the request of either party to this Agreement, the other party will execute and deliver such other documents, instruments and agreements as the requesting party may reasonably require for the purpose of carrying out the intent of this Agreement and the transactions contemplated by this Agreement.

Section 5.12 Indemnification and Insurance. The Purchaser will not, for a period of six (6) years after the Closing, take or permit any action to alter or impair any exculpatory or indemnification provisions now existing in the certificate of incorporation or bylaws or other applicable charter or organizational documents of the Acquired Company for the benefit of any individual who served as a director or officer of the Acquired Company at any time prior to the Closing (each an “Affiliate Indemnified Party”), except for any changes which may be required to conform with changes in applicable Law and any changes which do not affect the application of such provisions to acts or omissions of such individuals prior to the Closing.

Section 5.13 Bulk Transfer Laws. The Purchaser hereby waives compliance by the Seller and/or the Share Selling Affiliate with any applicable bulk sale or bulk transfer Laws of any jurisdiction in connection with the transactions contemplated by this Agreement.

Section 5.14 Designated Affiliate. The Purchaser will use its commercially reasonable efforts to designate a Designated Affiliate as soon as practicable following the date of this Agreement and, in any event, will make such designation not less than ten (10) days prior to the Closing. The Purchaser acknowledges and agrees that any representation, warranty or covenant of the Seller which is breached or not true and correct, shall be deemed not breached and true and correct to the extent such breach or inaccuracy resulted solely from the designation of a Designated Affiliate.

Section 5.15 Use of Seller’s Name; Seller Marks. The Purchaser agrees that:

(a) Within ninety (90) days after the Closing, the Purchaser will, and will cause its Affiliates to, (i) remove or cause to be removed “Chemtura” or other similar mark and any other trademark, design or logo previously or currently used by the Seller or any of its Affiliates (the “Seller Marks”) from all buildings, signs and vehicles of the Business, (ii) change the name of the Acquired Company to a name not including any Seller Mark, and (iii) cease using the Seller Marks in electronic databases, web sites, product instructions, packaging and other materials, printed or otherwise (all such materials, together with buildings, signs and vehicles, the “Marked Assets”).

(b) Immediately after the Closing, the Purchaser will, and will cause its Affiliates to, cease using the Seller Marks in all invoices, letterhead, advertising and promotional materials, office forms and business cards.

(c) From and after the Closing, the Purchaser will use commercially reasonable efforts to remove or cause to be removed the Seller Marks from all inventory sold by the Business (including all Marked Assets); provided, however, that in no event will the Purchaser or any of its Affiliates use the Seller Marks after the six-month anniversary of the Closing Date, other than pursuant to the IP License Agreement.

(d) The Purchaser acknowledges and agrees that the Seller or an Affiliate of the Seller is the owner of the Seller Marks and all goodwill attached thereto. This Agreement does not give the Purchaser or any of its Affiliates the right to use the Seller

Marks except in accordance with this Agreement. The Purchaser will not, and will not cause or permit any of its Affiliates to, attempt to register the Seller Marks nor to register anywhere in the world a mark that is the same as or similar to the Seller Marks.

(e) In no event will the Purchaser or any of its Affiliates advertise or hold itself out as the Seller or any of its Affiliates after the Closing.

(f) If, at any time after the Closing, the Purchaser or any of its Affiliates possesses any information belonging to or concerning the Seller or any of its Affiliates that is not necessary for the operation of the Business (such information, the "Seller Information"), the Purchaser will promptly transfer, or cause to be transferred, such Seller Information to the Seller (without retaining a copy thereof). The Purchaser will not, and will not allow any of its Affiliates to, use any Seller Information or disclose such information to any Person. For the purposes of this Agreement, Seller Information includes written, graphical or machine-readable information that relates to trade secrets, product plans, software, vendor and customer information, business plans and data stored electronically which are not Business Intellectual Property Rights. The Seller acknowledges that following the Closing it will possess certain material Business Intellectual Property Rights. If, at any time after the Closing, the Seller or any of its Affiliates possesses any information constituting Business Intellectual Property Rights, the Seller will promptly transfer, or cause to be transferred, such Business Intellectual Property Rights to the Purchaser (without retaining a copy thereof). The Seller will not, and will not allow any of its Affiliates to, use any Business Intellectual Property Rights or disclose Business Intellectual Property Rights to any Person. Following the fifth anniversary of the Closing Date, the Seller shall no longer be presumed to possess any material Business Intellectual Property Rights. Each party will use commercially reasonable efforts to cooperate with the other party to identify any information to be provided to the other party in accordance with the foregoing.

Section 5.16 Refunds and Remittances. If the Seller or any of its Affiliates, on the one hand, or the Purchaser or any of its Affiliates, on the other hand, after the Closing Date receives any funds properly belonging to the other party in accordance with the terms of this Agreement, the receiving party will promptly so advise such other party and will promptly deliver such funds to an account or accounts designated in writing by such other party.

Section 5.17 Litigation Support.

(a) In the event and for so long as the Seller actively is contesting or defending against any action, investigation, charge, claim, or demand by a third party in connection with (a) any transaction contemplated by this Agreement or (b) any fact, situation, circumstance, status, condition, activity, practice, plan, occurrence, event, incident, action, failure to act, or transaction on or prior to the Closing Date involving the Business, the Acquired Company or the Seller and its Affiliates, the Purchaser will cooperate with the Seller and its counsel in the contest or defense, make available its personnel, and provide such testimony and access to its books, records and other materials as shall be reasonably necessary in connection with the contest or defense, all at the sole control, cost and expense of the Seller (unless the Seller is entitled to indemnification therefor under Article 8).

(b) In the event and for so long as the Purchaser actively is contesting or defending against any action, investigation, charge, claim, or demand by a third party in connection with (a) any transaction contemplated by this Agreement or (b) any fact, situation, circumstance, status, condition, activity, practice, plan, occurrence, event, incident, action, failure to act, or transaction involving the Business, the Seller will

cooperate with the Purchaser and its counsel in the contest or defense, make available its personnel, and provide such testimony and access to its books, records and other materials as shall be reasonably necessary in connection with the contest or defense, all at the sole control, cost and expense of the Purchaser (unless the Purchaser is entitled to indemnification therefor under Article 8).

Section 5.18 Intercompany Accounts. Effective prior to or at the Closing Date and subject to the Bankruptcy Court Orders, except as otherwise contemplated hereby or by any Ancillary Agreement, all intercompany receivables, payables, loans and investments then existing between or among the Seller and/or any of its Subsidiaries other than the Acquired Company, on the one hand, and the Acquired Company, on the other hand, shall be forgiven or settled, including by way of capital contribution or by way of dividend in kind or otherwise as appropriate.

Section 5.19 Assistance with Preparation of Financial Statements. On or after the Closing Date, at the reasonable request of the Purchaser and subject to customary confidentiality restrictions, the Seller will cooperate with the Purchaser, and provide reasonable assistance to the Purchaser (including causing its personnel to be available for interviews during normal working hours), in connection with the Purchaser's preparation of any historical or pro forma financial statements relating to the conduct of the Business prior to the Closing; provided, however, that no such cooperation or provision of assistance will unreasonably interfere with the conduct of the businesses of the Seller and its Affiliates, nor will the covenant set forth in this Section 5.19 be deemed to grant to the Purchaser any right of access to the books and records of the Seller and its Affiliates. In addition to the services provided in the Transition Services Agreement, the Purchaser will compensate the Seller based on an hourly rate to be agreed by the parties in good faith prior to making any Seller personnel available, and the Purchaser will also reimburse the Seller for all out-of-pocket costs and expenses incurred in connection therewith.

Section 5.20 Trade Accounts Payable, Shared Accounts Payable and Accrued Payroll and Benefits. The Seller agrees that it will pay any and all outstanding Trade Accounts Payable, Shared Accounts Payable and Accrued Payroll and Benefits following the Closing in accordance with their terms, but in all circumstances within one hundred twenty (120) days following the Closing.

(a) Prior to and if necessary after Closing, the Seller and Purchaser shall negotiate in good faith to agree terms for (i) a toll manufacturing agreement (the "Isopetronate HL-44 Toll Manufacturing Agreement") pursuant to which the Purchaser would after Closing supply Isopetronate HL-44 manufactured at the Taft, Louisiana facility to the Seller, (ii) a supply agreement (the "TNPP Supply Agreement") pursuant to which the Purchaser and the Purchaser would cause the Acquired Company to supply to an Affiliate of Seller, and the Seller would supply to Purchaser from Seller's Morgantown facility, the product tris(nonylphenyl) phosphite, and (iii) a supply agreement (the "Weston 705 Supply Agreement") pursuant to which the Seller would supply to the Purchaser, from Seller's Morgantown facility, the product Weston 705.

(b) Prior to and if necessary after Closing, the Seller and Purchaser shall negotiate in good faith to agree terms for a distribution agreement or agreements (the "Distribution Agreement(s)"), pursuant to which Affiliates of Seller located in Mexico and certain South American countries would act as distributors for the Business in Mexico and those South American countries.

(c) Prior to Closing, the Seller and the Purchaser shall in good faith agree upon the terms of those parts of the TBT Supply Agreement, the TOT Supply Agreement and the TPP/LPE Supply Agreement that are expressed to be subject to further discussion in Exhibits G, H and I respectively.

Section 5.22 German Corporate Group Arrangements.

(a) Without limiting any claims under this Agreement (in particular any claims pursuant to Section 9.1(a)), the Purchaser shall cause the Acquired Company not to, at any time after the Closing, raise any claim against the Seller or any Affiliate of the Seller or any of their respective directors, officers, employees, agents, or other representatives, or assign any such claim to a third party, arising from or in connection with:

(i) any enterprise agreement (*Unternehmensverträge*) or equivalent agreement, or any cash pooling arrangement, in each case that was in effect between the Seller (or its legal predecessor) or any Seller's Affiliate on the one hand and the Acquired Company (or its legal predecessor) on the other hand at any time prior to the Closing Date, or from the amendment or termination of any such agreement,

(ii) any comfort letter or liquidity commitment provided by the Seller (or its legal predecessor) or any of Seller's Affiliates in connection with, or for the benefit of, the Acquired Company at any time prior to the Closing Date, or from the amendment or termination of any such letter or commitment,

(iii) any existence-destroying intervention or omission (*existenzvernichtender Eingriff*) by the Seller (or its legal predecessor) any of Seller's Affiliates or any of their respective directors, officers, employees, agents, or other representatives at any time prior to the Closing Date,

(iv) any re-payments of equity replacing shareholder loans or securities (*eigenkapitalersetzende Gesellschafterdarlehen oder -sicherheiten*), or any other action taken or failure to act by the Seller (or its legal predecessor) or any of the Seller's Affiliates or any of their respective directors, officers, employees, agents, or other representatives at any time prior to the Closing Date that infringes the rules of capital maintenance (*Kapitalerhaltungsvorschriften*) pursuant to German Law; or

(v) the shareholder relationship or any transaction between the Seller (or its legal predecessor) and the Acquired Company.

(b) The Parties agree that the domination agreement and the profit and loss pooling agreement currently in effect between the Share Selling Affiliate and the Acquired Company will be terminated prior to Closing by termination agreement with effect as of December 31, 2009. In order to determine for the fiscal year ending December 31, 2009 the Share Selling Affiliate's claim, if any, against the Acquired Company for transfer of the Acquired Company's profit (the "Profit Transfer Claim") or, if any, the Acquired Company's claim against the Share Selling Affiliate for compensation of the Acquired Company's loss (the "Loss Compensation Claim"), as soon as reasonably practical after December 31, 2009, Seller will prepare financial statements of the Acquired Company pursuant to German GAAP for the fiscal year ending December 31, 2009 (the "German GAAP Financial Statements"). The financial statement principles set forth in Section 2.6 shall apply to the German GAAP Financial Statements except that any caps or other financial limitations set forth therein shall not apply for purposes of this Section 5.22(b). For the determination of adjustments to the consideration pursuant to Section 2.5 and 2.6, the Profit Transfer Claim shall qualify as an account payable of the Acquired Company reducing the Final Closing Net Working Capital by an amount equal to such payable, and

the Loss Compensation Claim shall qualify as an account receivable of the Acquired Company increasing the Final Closing Net Working Capital by an amount equal to such receivable. Contemporaneously with the determination of the Final Closing Net Working Capital, if the German GAAP Financial Statements reflect a profit, Purchaser shall pay on behalf of the Acquired Company the amount of the Profit Transfer Claim to the Share Selling Affiliate at the same time as any Final Net Working Capital adjustment payment pursuant to Section 2.6 (which Final Net Working Capital adjustment shall be reduced by the Profit Transfer Claim). If the German GAAP Financial Statements reflect a loss, Seller shall satisfy on behalf of the Share Selling Affiliate the Loss Compensation Claim by paying an amount equal to the Loss Compensation Claim to the Acquired Company, which payment shall be satisfied at the same time as any Final Closing Net Working Capital adjustment payment pursuant to Section 2.6 (which Final Net Working Capital adjustment shall be increased by the Loss Compensation Claim). For the avoidance of doubt, Purchaser's indemnification obligation pursuant to Section 8 for breaches of Section 5.22(a) and Seller's responsibility for pre-Closing Taxes in accordance with Section 9 shall remain unaffected by this Section 5.22(b). Section 9.2(d) shall apply mutatis mutandis for any Tax Contest relating to any periods prior to the Closing in which the tax unit between the Share Selling Affiliate and the Acquired Company has been in place.

(c) From and after the Closing, the Purchaser will indemnify and hold harmless the Seller Indemnified Parties from and against any and all Losses incurred by the Seller Indemnified Parties arising or resulting from collateral claims asserted by creditors of the Acquired Company against the Share Selling Affiliate as a result of, and within six (6) months after the electronic publication of, the termination of the domination agreement and the profit and loss pooling agreement currently in effect between the Share Selling Affiliate and the Acquired Company.

(d) Prior to the Closing, title to all inventory of the Business in Europe currently owned by the Seller or any Seller Affiliates shall be transferred to the Acquired Company, and all VAT required to be paid in connection with such transfer shall be attributed to the period prior to the Closing and shall be treated in accordance with Section 9.1(f) of this Agreement.

(e) The Seller agrees that neither the Seller nor any Seller Affiliate, at any time after Closing, will raise any claim against the Acquired Company relating to the shareholder relationship or any transaction between the Seller or any Seller Affiliate and the Acquired Company.

Section 5.23 Restrictive Covenants.

(a) For a period of five (5) years following the Closing Date, the Seller shall not, and shall ensure that none of its Affiliates will, directly or indirectly (including as a stockholder, member or partner), solicit any customer of the Business existing from January 1, 2008 through the Closing Date for the purposes of sale to that customer of any product (i) manufactured or sold by the Business at the Closing or (ii) competitive with any product manufactured or sold by the Business at the Closing.

(b) Notwithstanding the foregoing, this Section 5.23 will not prohibit the Seller or any of its Affiliates, directly or indirectly, from (i) conducting any business activities conducted by them as of the date of this Agreement (other than the Business), including the manufacture and sale of Seller Intermediate Products to entities which are not customers of the Business from January 1, 2008 through the Closing Date through the Closing; (ii) investing in or holding not more than ten percent (10%) of the outstanding voting stock or other ownership interests of any Person; or (iii) acquiring any ownership

interest in any business or conducting any business activities of such acquired business (including the manufacture or sale of Purchaser Intermediate Products) in which the products of such acquired business that are competitive with the Business or the Purchaser Intermediate Products represent less than twenty-five percent (25%) of revenues of such acquired business so long as no Business Information is disclosed to such acquired business; so long as such acquired business does not violate Section 5.23(a) following such acquisition.

(c) For a period of five (5) years following the Closing Date, the Purchaser shall not and shall ensure that none of its subsidiaries will, directly or indirectly (including as a stockholder, member or partner):

(i) solicit any Retained Business Products customer of the Seller existing from January 1, 2008 through the Closing Date for the purposes of sale to that customer of any (a) Retained Business Product or (b) any product competitive with any Retained Business Product; or

(ii) provide or make available, whether by sale, lease, transfer, loan, gift or otherwise, and whether on a temporary or permanent basis, any of the Purchased Intellectual Property or the Shared Intellectual Property to any Affiliate of the Purchaser for the purpose of producing or selling any Retained Business Product, or any product competitive with any Retained Business Product, to any Retained Business Product customer of the Seller existing from January 1, 2008 through the Closing Date.

(d) Notwithstanding the foregoing, this Section 5.23 will not prohibit the Purchaser or any of its subsidiaries, directly or indirectly, from (i) conducting any business activities conducted by them as of the date of this Agreement or engaging in the Business activities as conducted at the date of this Agreement or engaging in the manufacture and sale of Purchaser Intermediate Products; (ii) investing in or holding not more than ten percent (10%) of the outstanding voting stock or other ownership interests of any Person; or (iii) acquiring any ownership interest in any business or conducting any business activities of such acquired business (including the manufacture or sale of Retained Business Products) in which Retained Business Products represent less than twenty-five percent (25%) of revenues of such business; so long as such acquired business does not violate Section 5.23(c) following such acquisition. In addition, nothing herein shall prohibit SK from making any other investments or any such investment entity (other than the Purchaser or any of the Purchaser's subsidiaries) from competing with the Retained Business Products, provided, however, that SK shall not provide or make available, whether by sale, lease, transfer, loan, gift or otherwise, and whether on a temporary or permanent basis, any of the Purchased Intellectual Property or the Shared Intellectual Property to any such investment entity for the purpose of producing or selling any Retained Business Product, or any product competitive with any Retained Business Product, to any Retained Business Product customer of the Seller existing from January 1, 2008 through the Closing Date; and provided further that SK and the Purchaser comply at all times with the confidentiality obligations set forth in Section 5.9 of this Agreement.

(e) The Seller and the Purchaser acknowledge and agree that the Supply Agreements contain certain restrictions on the supply of Intermediate Products and the provisions of this Section 5.23 shall not be construed to amend, waive or contradict the relevant provisions of the Supply Agreements.

(f) If either party discovers a potential breach of the foregoing provisions (a) through (d) of this Section 5.23, prior to bringing a claim or action against

such party, the discovering party shall provide the potential breaching party with notice of such alleged breach and a reasonable opportunity, not to exceed thirty (30) days, to cease the conduct giving rise to the potential breach.

(g) Unless otherwise agreed to in writing by the Purchaser, during the period commencing on the date of this Agreement and ending on the one-year anniversary of the Closing Date, the Seller will not, directly or indirectly, for itself or on behalf of or in conjunction with any other Person (other than in its capacity as a holder of not more than twenty-five percent (25%) of the outstanding voting stock of a Person or as a passive investor in a privately-held Person), nor will it permit any of its Affiliates or their respective directors, officers, employees, agents, advisors or representatives to, directly or indirectly, employ or offer employment to any Transferred Employee unless such Transferred Employee will have ceased to be employed by the Purchaser for a period of at least six (6) months prior thereto.

(h) Unless otherwise agreed to in writing by the Seller, during the period commencing on the date of this Agreement and ending on the one-year anniversary of the Closing Date (or, if this Agreement is terminated prior to the Closing, ending six (6) months after the date of termination), the Purchaser will not, directly or indirectly, for itself or on behalf of or in conjunction with any other Person (other than in its capacity as a holder of not more than twenty-five percent (25%) of the outstanding voting stock of a Person or as a passive investor in a privately-held Person), nor will it permit any of its subsidiaries, Affiliates, directors, officers, employees, agents, advisors or representatives to, directly or indirectly, call upon any Person who is, at the time the Person is called upon, an employee of the Seller or any Affiliate of the Seller, for the purpose or with the intent of soliciting such employee away from or out of the employ of the Seller or such Affiliate of the Seller, or employ or offer employment to any Person who was or is employed by the Seller or any Affiliate of the Seller unless such Person will have ceased to be employed by Seller and the its Affiliates for a period of at least six (6) months prior thereto.

(i) This Section 5.23 will not be deemed to prohibit the Seller or the Purchaser from engaging in general media advertising or solicitation that may be targeted to a particular geographic or technical area but that is not targeted towards employees of the Purchaser or the Seller or their Affiliates or hiring any individuals who respond to such advertising or solicitation.

Section 5.24 Transition Services Agreement.

(a) Prior to the Closing, the Seller shall, at the Seller's expense, use commercially reasonable efforts to facilitate the Business being operated in the ordinary course of business on the Seller's information technology platform following the Closing as contemplated by the Transition Services Agreement. Any fees or other amounts charged by third party service providers before the Closing Date in connection with Seller's preparation for provision of the information technology services after Closing pursuant to the Transition Services Agreement shall not be included in Out-of-Pocket Expenses (as such term is defined in the Transition Services Agreement) and charged as such after Closing pursuant to the provisions of the Transition Services Agreement (other than any fees or other amounts charged by third party service providers before the Closing Date for rebranding or as a one-time fee for set up and acquisition of space for hosting hardware, each to the extent approved in advance by the Purchaser, such approval not to be unreasonably withheld or delayed).

(b) Between the date hereof and Closing, the Seller and Purchaser shall work in good faith to prepare the services schedule to the Transition Services Agreement,

ARTICLE 6

CONDITIONS PRECEDENT TO OBLIGATION TO CLOSE

Section 6.1 Conditions to the Obligation of the Purchaser. The obligation of the Purchaser to consummate the transactions contemplated by this Agreement is subject to the satisfaction, on or before the Closing Date, of each of the following conditions (any of which may be waived by the Purchaser, in whole or in part):

(a) Accuracy of Representations and Warranties. The representations and warranties of the Seller in Article 3 must be true and correct in all respects as of the Closing (except to the extent any such representation or warranty speaks as of the date of this Agreement or any other specific date, in which case such representation or warranty must have been true and correct in all respects as of such date), except where the failure of such representations and warranties to be so true and correct (without regard for any "material," "Material Adverse Effect" or similar qualification) would not, individually or in the aggregate, constitute a Material Adverse Effect;

(b) Performance of Covenants. All of the covenants and obligations that the Seller is required to perform or comply with under this Agreement on or before the Closing Date must have been duly performed and complied with in all material respects;

(c) Consents. Each of the Governmental Authorizations and consents listed in Schedule 6.1(c) must have been obtained and must be in full force and effect, except for such consents which the failure to obtain would not result in a Material Adverse Effect, and all applicable waiting periods (and any extensions thereof) under any applicable Antitrust Laws must have expired or otherwise terminated and all other approvals under other applicable Antitrust Laws must have been obtained;

(d) Entry of Orders By Bankruptcy Court. The Bankruptcy Court shall have entered the Bidding Procedures Order and the Approval Order, and the Bidding Procedures Order and the Approval Order shall have become Final Orders and shall not have been vacated, stayed, or reversed, or modified, amended, or supplemented in any manner that has a Material Adverse Effect; provided, however, that it shall not be a condition to the Seller's obligation to consummate the transactions contemplated by this Agreement that the Approval Order be a Final Order if the Approval Order is not a Final Order solely as a result of an appeal of the relief granted pursuant to the Approval Order, which appeal (a) does not challenge Purchaser's good faith purchaser status under Section 363(m) of the Bankruptcy Code, (b) does not assert that the transactions contemplated by this Agreement are avoidable pursuant to, or otherwise violates, Section 363(n) of the Bankruptcy Code, and (c) has not resulted in a stay of the Approval Order; and

(e) No Action. There must not be in effect any Law or Judgment that would prohibit or make illegal the consummation of the transactions contemplated by this

Agreement or cause the transactions contemplated by this Agreement to be rescinded following consummation.

(f) Absence of Material Adverse Effect. No Material Adverse Effect shall have occurred since the date of this Agreement and be continuing.

Section 6.2 Conditions to the Obligation of the Seller. The obligation of the Seller to consummate the transactions contemplated by this Agreement is subject to the satisfaction, on or before the Closing Date, of each of the following conditions (any of which may be waived by the Seller, in whole or in part):

(a) Accuracy of Representations and Warranties. The representations and warranties of the Purchaser in Article 4 must be true and correct in all material respects as of the Closing (except to the extent any such representation or warranty speaks as of the date of this Agreement or any other specific date, in which case such representation or warranty must have been true and correct in all material respects as of such date);

(b) Performance of Covenants. All of the covenants and obligations that the Purchaser is required to perform or comply with under this Agreement on or before the Closing Date must have been duly performed and complied with in all material respects;

(c) Consents. Each of the Governmental Authorizations and consents listed in Schedule 6.1(c), except for such consents which the failure to obtain would not result in a Material Adverse Effect, must have been obtained and must be in full force and effect, and all applicable waiting periods (and any extensions thereof) under any applicable Antitrust Laws must have expired or otherwise terminated and all other approvals under other applicable Antitrust Laws must have been obtained;

(d) Entry of Orders By Bankruptcy Court. The Bankruptcy Court shall have entered the Approval Order, and the Approval Order shall have become a Final Order and shall not have been vacated, stayed, or reversed, or modified, amended, or supplemented in any manner that has a Material Adverse Effect; provided, however, that it shall not be a condition to the Seller's obligation to consummate the transactions contemplated by this Agreement that the Approval Order be a Final Order if the Approval Order is not a Final Order solely as a result of an appeal of the relief granted pursuant to the Approval Order, which appeal (a) does not challenge Purchaser's good faith purchaser status under Section 363(m) of the Bankruptcy Code, (b) does not assert that the transactions contemplated by this Agreement are avoidable pursuant to, or otherwise violates, Section 363(n) of the Bankruptcy Code, and (c) has not resulted in a stay of the Approval Order; and

(e) No Action. There must not be in effect any Law or Judgment that would prohibit or make illegal the consummation of the transactions contemplated by this Agreement or cause the transactions contemplated by this Agreement to be rescinded following consummation.

ARTICLE 7 TERMINATION

Section 7.1 Termination Events. This Agreement may, by written notice given before or at the Closing, be terminated:

(a) by mutual written consent of the Purchaser and the Seller;

(b) by the Purchaser (so long as the Purchaser is not then in material breach of any of its representations, warranties or covenants contained in this Agreement) if there has been a breach of any of the Seller's representations, warranties or covenants

contained in this Agreement, which would result in the failure of a condition set forth in Section 6.1(a) or Section 6.1(b), and which breach has not been cured within thirty (30) days after written notice of the breach has been delivered to the Seller from the Purchaser to the extent capable of being cured;

(c) by the Seller (so long as the Seller is not then in material breach of any of its representations, warranties or covenants contained in this Agreement) if there has been a breach of any of the Purchaser's representations, warranties or covenants contained in this Agreement, which would result in the failure of a condition set forth in Section 6.2(a) or Section 6.2(b), and which breach has not been cured within thirty (30) days after written notice of the breach has been delivered to the Purchaser from the Seller to the extent capable of being cured;

(d) by either the Purchaser or the Seller if any Governmental Authority has issued a nonappealable final Judgment or taken any other nonappealable final action, in each case having the effect of permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement; provided, however, that the right to terminate this Agreement under this Section 7.1(d) will not be available to any party whose failure to fulfill any material covenant under this Agreement has been the cause of or resulted in the action or event described in this Section 7.1(d) occurring; or

(e) by the Seller or the Purchaser, if the Seller accepts or the Bankruptcy Court approves an Alternative Transaction for any of the Shares or Purchased Assets pursuant to the terms of the Bidding Procedures Order; provided, however, that the Purchaser shall not be entitled to terminate pursuant to this Section 7.1(e) if and so long as the Purchaser is the Alternate Bidder (as such term is defined in Exhibit 1 to the Bidding Procedures Order);

(f) by the Purchaser if the Closing has not occurred (other than through the failure of the Purchaser to comply fully with its obligations under this Agreement) on or before May 31, 2010; or

(g) by the Seller if the Closing has not occurred (other than through the failure of the Seller to comply fully with its obligations under this Agreement) on or before May 31, 2010.

Section 7.2 Effect of Termination.

(a) If this Agreement is terminated pursuant to Section 7.1, this Agreement and all rights and obligations of the parties under this Agreement automatically end without Liability against any party or its Affiliates, except that (a) Section 5.9(a) (*Confidentiality*), Section 5.10 (*Public Announcements*), Section 7.3 (*Certain Effects of Termination*), Article 11 (*General Provisions*) and this Section 7.2 will remain in full force and survive any termination of this Agreement and (b) if this Agreement is terminated by a party because of the breach of this Agreement by the other party or because one or more of the conditions to the terminating party's obligations under this Agreement is not satisfied as a result of the other party's failure to comply with its obligations under this Agreement, the terminating party's right to pursue all legal remedies will, subject to Section 7.2(c)(iii), survive such termination unimpaired.

(b) Breakup Fee and Reimbursement. In the event that (i) this Agreement is terminated by either the Seller or the Purchaser pursuant to Section 7.1(e) and (ii) an Alternative Transaction(s) is consummated no later than within twelve (12) months of such termination, then, upon the closing of such Alternative Transaction, the Purchaser will be paid a fee (the "Breakup Fee") equal to US five hundred thousand dollars (\$500,000) by

the Seller. Such payments will be made by wire transfer in immediately available funds to an account designated by the Purchaser, and the Purchaser shall have the right to be paid the Breakup Fee from the first proceeds of the Alternative Transaction for any of the Shares or Purchased Assets. In the event that this Agreement is terminated pursuant to Sections 7.1(b), 7.1(e), 7.1(f) (but only if at the time of such termination, the Purchaser is the Alternate Bidder (as such term is defined in Exhibit 1 to the Bidding Procedures Order)) or 7.1(g), in addition to any Breakup Fee, the Purchaser will be paid reimbursement of the Purchaser's actual out-of-pocket due diligence cost and expenses, in an amount not to exceed seven hundred and fifty thousand dollars (\$750,000) ("Reimbursement"). The Reimbursement shall be paid to the Purchaser, in the case of a termination pursuant to Section 7.1(e), on the earlier to occur of (i) the closing of the Alternative Transaction and (ii) the consummation of the plan of reorganization of the Seller and, in the case of a termination pursuant to Sections 7.1(b), 7.1(f) (but only if at the time of such termination, the Purchaser is the Alternate Bidder (as such term is defined in Exhibit 1 to the Bidding Procedures Order)) or 7.1(g), within five (5) business days following receipt or delivery of notice in accordance with Section 7.1.

(c) Release of Deposit.

(i) If this Agreement is terminated pursuant to Sections 7.1(a), 7.1(b), 7.1(d), 7.1(e), 7.1(f) or 7.1(g), the Deposit Agent will wire transfer the Deposit Amount to an account designated by the Purchaser no later than five (5) Business Days immediately following such termination.

(ii) If this Agreement is terminated pursuant to Section 7.1(c), the Deposit Agent will wire transfer the Deposit Amount to an account designated by the Seller.

(iii) If this Agreement is terminated as permitted by Section 7.1, the return of the Deposit Amount to the Purchaser pursuant to the terms of the Deposit Agreement and the payment of the Breakup Fee and/or Reimbursement, if any, pursuant to the terms of this Section 7.2, shall be the sole and exclusive remedy of the Purchaser, whether at law or in equity, for any breach by the Seller or any of its Affiliates of the terms and conditions of this Agreement or the Deposit Agreement. If this Agreement is terminated as permitted by Section 7.1(c), notwithstanding anything to the contrary in this Agreement, the Deposit shall be retained by Seller as liquidated damages, and retention of the Deposit by the Seller shall be the sole recourse against Purchaser, SK or its Affiliates for any breach by the Purchaser or SK of this Agreement, other than a breach of Section 363(n) of the Bankruptcy Code. In the event of a breach by the Purchaser or any of its Affiliates of Section 363(n) of the Bankruptcy Code, the Seller shall be entitled to keep the Deposit Amount and to pursue any other remedies available under Section 363(n) of the Bankruptcy Code.

(iv) Notwithstanding anything to the contrary contained in this Agreement, the entry of the Bidding Procedures Order by the Bankruptcy Court is a condition precedent to the Seller's obligation to pay, and payment of, the Breakup Fee and Reimbursement as otherwise required by this Section 7.2. Subject to the approval of the Bankruptcy Court, the obligations of the Seller to pay the Breakup Fee and Reimbursement shall be entitled to administrative expense claim status in the Case with priority pursuant to Section 507(a)(2) of the Bankruptcy Code, and payable without further order of the Bankruptcy Court pursuant to the terms of this Agreement and the Bidding Procedures Order, and the obligation to pay the Breakup Fee and Reimbursement in full in cash when due shall not be discharged, modified, or otherwise affected by any plan of reorganization or liquidation for the Seller.

Section 7.3 Certain Effects of Termination. If the Purchaser or the Seller terminates this Agreement pursuant to Section 7.1, the Purchaser will comply with the Confidentiality

Agreement regarding the return and/or destruction of any information furnished to the Purchaser in connection with this Agreement.

ARTICLE 8 INDEMNIFICATION

Section 8.1 Indemnification by the Seller. If the Closing occurs, from and after the date thereof, and subject to the limitations expressly set forth in Sections 8.4 and 8.5, the Seller will indemnify and hold harmless the Purchaser, the Purchaser's Affiliates and their respective directors, officers, employees, agents, representatives, stockholders and Affiliates (collectively, the "Purchaser Indemnified Parties") from and against any and all Losses (other than (i) Losses with respect to Taxes, for which the provisions of Section 9.1(a) will govern) incurred by the Purchaser Indemnified Parties arising or resulting from (a) any breach of any covenant of the Seller set forth in this Agreement, (b) any Excluded Liability, and (c) in connection with Statement of Objections, dated March 17, 2009, relating to the proceeding under Article 81 of the Treaty of the European Community and Article 53 of the European Economic Area Agreement, any fines or other liability imposed upon the Acquired Company pursuant to Article 23(2)(a) of Regulation No. 1/2003 and any Losses from related Civil Proceedings.

Section 8.2 Indemnification by the Purchaser. If the Closing occurs, from and after the date thereof, and subject to the limitations expressly set forth in Sections 8.4 and 8.5, the Purchaser will indemnify and hold harmless the Seller, the Seller's Affiliates and their respective directors, officers, employees, agents, representatives, stockholders and Affiliates (collectively, the "Seller Indemnified Parties") from and against any and all Losses (other than (i) Losses with respect to Taxes, for which the provisions of Section 9.1(a) will govern) incurred by the Seller Indemnified Parties arising or resulting from (a) any breach of any covenant of the Purchaser set forth in this Agreement and (b) any Assumed Liability.

Section 8.3 Claim Procedure.

(a) A party that seeks indemnity under this Article 8 (an "Indemnified Party") will give written notice (a "Claim Notice") to the party from whom indemnification is sought (an "Indemnifying Party") whether the Losses sought arise from matters solely between the parties or from Third Party Claims described in Section 8.3(b). The Claim Notice must contain (i) a description and, if known, the estimated amount of any Losses incurred or reasonably expected to be incurred by the Indemnified Party, (ii) a reasonable explanation of the basis for the Claim Notice to the extent of the facts then known by the Indemnified Party and (iii) a demand for payment of those Losses.

(b) If the Indemnified Party seeks indemnity under this Article 8 in response to a claim or Proceeding by another Person not a party to this Agreement (a "Third Party Claim"), then the Indemnified Party will give a Claim Notice to the Indemnifying Party within ten (10) days after the Indemnified Party has received notice or otherwise learns of the assertion of such Third Party Claim and will include in the Claim Notice (i) the facts constituting the basis for such Third Party Claim and the amount of the damages claimed by the other Person, in each case to the extent known to the Indemnified Party, accompanied by reasonable supporting documentation submitted by such third party (to the extent then in the possession of the Indemnified Party) and (ii) the assertion of the claim or the notice of the commencement of any Proceeding relating to such Third Party Claim; provided, however, that no delay or deficiency on the part of the Indemnified Party in so notifying the Indemnifying Party will relieve the Indemnifying Party of any Liability under this Agreement except to the extent such delay or deficiency prejudices or otherwise adversely affects the rights of the Indemnifying Party with respect thereto.

(c) In the event of a Third Party Claim, the Indemnifying Party will be entitled to participate in the defense thereof and, if it so chooses, assume at any time control of the defense thereof with counsel reasonably satisfactory to the Indemnified Party by giving to the Indemnified Party written notice of its intention to assume control of the defense of such Third Party Claim; provided, however, that the Indemnified Party may participate in the defense of such Third Party Claim with its own counsel at its own expense, except as provided in Section 8.3(d) below).

(d) The party not controlling the defense of the Third Party Claim (the “Non-controlling Party”) may participate in the defense thereof at its own expense. However, if the Indemnifying Party assumes control of such defense as permitted above and the Indemnified Party reasonably concludes that the Indemnifying Party and the Indemnified Party have conflicting interests or different defenses available with respect to the Third Party Claim, then the reasonable fees and expenses of counsel to the Indemnified Party will be considered as “Losses” for purposes of this Agreement. The Non-controlling Party will furnish the party controlling the defense of the Third Party Claim (the “Controlling Party”) with such information as it may have with respect to the Third Party Claim (including copies of any summons, complaint or other pleading which may have been served on such party and any written claim, demand, invoice, billing or other document evidencing or asserting the same) and will otherwise cooperate with and assist the Controlling Party and its counsel in the defense of such Third Party Claim. The Controlling Party will keep the Non-controlling Party reasonably advised of the status of such Third Party Claim and will consider in good faith recommendations made by the Non-controlling Party with respect thereto.

(e) The Indemnifying Party will not agree to any settlement of, or consent to the entry of any Judgment (other than a Judgment of dismissal on the merits without costs) arising from, any such Third Party Claim without the prior written consent of the Indemnified Party; provided, however, that the consent of the Indemnified Party will not be required if the Indemnifying Party agrees in writing to pay any amounts payable pursuant to such settlement or any Judgment and such settlement or Judgment includes a full, complete and unconditional release of the Indemnified Party from further Liability. The Indemnified Party will not agree to any settlement of, or the entry of any Judgment (other than a Judgment of dismissal on the merits without costs) arising from, any such Third Party Claim without the prior written consent of the Indemnifying Party.

Section 8.4 Survival. All of the representations and warranties contained in this Agreement, and the right to commence any claim with respect thereto, shall terminate at the Closing and none of the parties hereto shall have any Liability with respect to such representations and warranties after the Closing. All covenants contained in this Agreement (A) that contemplate actions to be taken after Closing will survive the Closing and continue in effect in accordance with their terms until the expiration of the applicable statute of limitations or for such shorter period explicitly specified therein, except that for such covenants that survive for such shorter period, breaches thereof will survive until the expiration of the applicable statute of limitations and (b) that contemplate actions to be taken only on or prior to Closing shall terminate and cease to be obligations as of the Closing and no claim, action or proceeding with respect to such covenant may be brought after the Closing. All claims for indemnification under this Agreement must be asserted pursuant to a Claim Notice given prior to the expiration of the applicable survival period set forth in this Section 8.4.

Section 8.5 Limitations on Liability.

(a) Cap and Deductible. Notwithstanding anything to the contrary contained in this Agreement (except that the following limitations set forth in clauses (i), (ii) and (iii) will not apply to Losses (including any Environmental Losses) arising under Section 8.1(c), Section 9.1 or Article 11 or adjustments pursuant to Section 2.6 or Section 2.7):

(i) no indemnification payments will be made by or on behalf of either Seller to Purchaser or Purchaser to Seller under this Agreement in respect of any individual claim or series claims having the same nature or origin where the Losses relating thereto are less than one hundred thousand dollars (\$100,000), and such items less than one hundred thousand dollars (\$100,000) will not be aggregated for purposes of calculating the Deductible in clause (ii) below;

(ii) no indemnification payments will be made by or on behalf of either Seller to Purchaser or Purchaser to Seller under this Agreement until the aggregate amount of Losses for which such indemnifying party would (but for this clause (ii)) be liable thereunder exceeds two hundred and fifty thousand dollars (\$250,000) (such amount being, the “Threshold”), but once exceeded, such indemnifying party shall be liable for all Losses; and

(iii) the aggregate total amount in respect of which the Seller will be liable to indemnify and hold harmless the Purchaser Indemnified Parties pursuant to this Agreement will not exceed one million, five hundred thousand dollars (\$1,500,000).

(b) Aggregate Cap. Notwithstanding anything to the contrary contained in this Agreement, the aggregate total amount in respect of which the Seller will be liable to indemnify and hold harmless the Purchaser Indemnified Parties pursuant to this Agreement, including pursuant to Article 8, Article 9 and Article 11, will not exceed an amount equal to the Purchaser Deemed Entity Value.

(c) Tax Refunds, Insurance Proceeds and Other Payments. The amount of any and all Losses for which indemnification is provided pursuant to this Article 8, Article 9 or Article 11 will be net of any actual Tax benefit (reflecting an actual increase in cash Tax refund received or reduction in actual cash Taxes paid with respect to the period in which such Loss arose or such Liability was paid) to which an Indemnified Party is entitled by reason of payment of such Liability (taking into account any Tax cost or reduction in such Tax benefits by reason of receipt of the indemnification payment) and any amounts of any insurance proceeds, indemnification payments, contribution payments or reimbursements receivable by, or payable in kind to, the Indemnified Party with respect to such Losses or any of the circumstances giving rise thereto. In connection therewith, if, at any time following payment in full by the Indemnifying Party of any amounts of Losses due under this Agreement, the Indemnified Party receives any insurance proceeds, indemnification payments, contribution payments or reimbursements relating to the circumstances giving rise to such Losses, the Indemnified Party will promptly remit to the Indemnifying Party such proceeds, payments or reimbursements in an amount not to exceed the amount of the corresponding indemnification payment made by the Indemnifying Party. The Purchaser will use (and will cause its Affiliates to use) commercially reasonable efforts to collect the proceeds of any available insurance which would have the effect of reducing any Losses (in which case the net proceeds thereof will reduce the Losses).

(d) Mitigation. The Indemnified Party will use its commercially reasonable efforts to mitigate any Losses with respect to which it may be entitled to seek indemnification pursuant to this Agreement.

Section 8.6 Exclusive Remedy. From and after the Closing, the sole and exclusive remedy of the parties for any matter arising out of the transactions contemplated by this

Agreement will be pursuant to the indemnification obligations set forth in Article 8, Article 9 and Article 11. In no event will the Seller have any Liability for Losses arising from the conduct of the Business or the Acquired Company after the Closing.

ARTICLE 9 TAX MATTERS

Section 9.1 Liability and Indemnification for Taxes.

(a) If the Closing occurs, and subject to Section 8.4 and the limitations expressly set forth in Sections 8.5(b) and 9.1(d), the Seller will indemnify the Purchaser Indemnified Parties against all Losses for (i) all Taxes of the Acquired Company that are attributable to any Pre-Closing Period (except (a) to the extent any such Taxes are reserved or accrued as a current liability on the Final Closing Net Working Capital, and (b) for any VAT (other than VAT arising from the transfer of Other Purchased Assets and which shall be dealt with in accordance with Section 2.10) recoverable in the ordinary course of business of the Acquired Company), including all Taxes relating to the termination of the domination and profit and loss pooling agreements that the Acquired Company is a party to, (ii) all Taxes that are Excluded Liabilities, and (iii) all Taxes arising solely out of or due to any breach of any covenant of the Seller set forth in this Agreement.

(b) If the Closing occurs, and subject to Section 8.4, the Purchaser will indemnify the Seller Indemnified Parties against all Losses for (i) all Taxes of the Acquired Company that are attributable to any Post-Closing Period, except to the extent that such Losses for Taxes are attributable to any breach of the Seller's representations and warranties in Section 3.12, (ii) all Taxes that are Assumed Liabilities, (iii) all Transfer Taxes, and (iv) all Taxes arising solely out of or due to any breach of any covenant of the Purchaser set forth in this Agreement.

(c) With respect to any Straddle Period, any Losses for Taxes will be allocated between a Pre-Closing Period and a Post-Closing Period by closing the books at the end of the Closing Date, except that Tax items of a periodic nature, such as property taxes or depreciation allowances calculated on an annual basis, will be allocated by apportioning a pro-rata portion of such Taxes to each day in the relevant Straddle Period. This Section 9.1(c) does not apply to Transfer Taxes or VAT as a result of the transactions contemplated by this Agreement, which are the sole responsibility of the Purchaser under the provisions of Sections 9.1(e) and 9.1(f).

(d) The Seller will not be required to indemnify the Purchaser Indemnified Parties for reductions in any Tax Attributes. The Seller will not be required to indemnify the Purchaser Indemnified Parties against Losses for Taxes attributable to a Pre-Closing Period to the extent such Losses for Taxes could be reduced under applicable Law by reason of net operating loss carryovers, Tax credits and similar Tax Attributes of the Acquired Company arising in the Pre-Closing Period (assuming for the purposes of this sentence that such Tax Attributes are not used to reduce Taxes in a Post-Closing Period after taking into account any applicable limitations on the use of such Tax Attributes).

(e) Any applicable transfer or similar Taxes that are, or become due and payable as a result of the transactions contemplated by this Agreement, including real estate transfer taxes, whether such Taxes are imposed by Law on the Seller, the Share Selling Affiliate, the Purchased Assets, the Purchaser or any Designated Affiliate (other than VAT, which is addressed in subsection (f) hereof) (such Taxes, the "Transfer Taxes"), will be borne by the Purchaser. The Purchaser will pay to the Seller the amount of any Transfer Taxes which the Seller or the Share Selling Affiliate is required to remit no later than five (5) days prior to the date such Transfer Taxes are due. The parties will cooperate with each other in the provision of any

information or preparation of any documentation that may be necessary or useful for obtaining any available mitigation, reduction or exemption from any such Transfer Taxes, and for timely making and filing all Tax Returns that may be required to comply with Laws relating to such Transfer Taxes.

(f) The amount of any payment for a supply of goods or services or the value of any supply made or deemed to have been made pursuant to this Agreement or any Ancillary Agreement will be exclusive of any VAT properly chargeable on the supply, and the amount of the VAT will be borne by the recipient of the relevant goods or services in addition to any payment due under this Agreement or any Ancillary Agreement at the time the supply is made. In the event that any VAT is imposed upon or imposed against such recipient, the supplier of the relevant goods or services will promptly notify the recipient of the VAT amount on a valid VAT invoice (unless the reverse charge procedure applies). Upon receipt thereof, the recipient will promptly remit to the supplier the amount specified in such VAT invoice, and the supplier will make, or will cause to be made, any payments to the applicable Governmental Authorities as required under applicable Law.

Section 9.2 Tax Return Filing; Audit Responsibilities.

(a) Except as set forth in Section 9.2(b), the Purchaser will control and be responsible for the filing of all Tax Returns required to be filed with respect to the Acquired Company and, with respect to any Post-Closing Period or Straddle Period, the Purchased Assets after the Closing Date. All such Tax Returns with respect to a Pre-Closing Period or a Straddle Period will be completed in accordance with past practice of the Acquired Company to the extent permitted by applicable Law, and a copy of such Tax Returns shall be provided to the Seller for its review and approval (not to be unreasonably withheld, conditioned or delayed). The Purchaser will make all payments required with respect to any such Tax Return, subject to any indemnification obligation of the Seller with respect hereto.

(b) The Seller will control and be responsible for the preparation and filing of all Tax Returns due after the Closing Date that relate to the Acquired Company or any Affiliate of the Acquired Company and are Affiliated Group Tax Returns which include Pre-Closing Period operations. All such Tax Returns will be completed in accordance with past practice to the extent permitted by applicable Law and a copy of such Tax Returns (or the portion thereof reflecting the Acquired Company) shall be provided to the Purchaser for its review and approval (not to be unreasonably withheld, conditioned or delayed). The Seller will make all payments required with respect to any such Tax Return. Any Tax Returns that must be filed in connection with any Transfer Taxes will be prepared by the party that customarily has primary responsibility for filing such Tax Returns pursuant to the applicable Law under and according to which the respective Tax Returns are due to be filed; provided, however, that the preparing party will deliver such Tax Returns for the other party's review and approval (not to be unreasonably withheld, conditioned or delayed) at least ten (10) Business Days prior to the applicable due date.

(c) In the event that the Seller or the Purchaser is liable under this Agreement for any Taxes paid by the other party with respect to any Tax Return, prompt reimbursement will be made.

(d) If the Purchaser receives notice of a Tax Contest with respect to the Acquired Company or the Purchased Assets which could reasonably be expected to cause the Seller to have an indemnification obligation under this Article 9, then the Purchaser will notify the Seller in writing of such Tax Contest within five (5) Business Days of receiving such notice. The Seller will have the right to control the conduct and resolution of such Tax Contest; provided, however, that the Seller may decline to participate in such Tax Contest. If the Seller controls the conduct of such Tax Contest, the Seller will not resolve such Tax Contest, to the extent such Tax

Contest relates to or could result in an increase in Post-Closing Period Taxes, without the Purchaser's written consent, which consent will not be unreasonably withheld, conditioned or delayed. If the Seller declines to control such Tax Contest, then the Purchaser will have the right to control the conduct of such Tax Contest; provided, however, that the Purchaser will not resolve such Tax Contest without the Seller's written consent, which consent will not be unreasonably withheld, conditioned or delayed. Each party will bear its own costs for participating in such Tax Contest.

(e) Any net refunds and credits attributable to the payment of Taxes for a Pre-Closing Period (to the extent not attributable to the use of a Post-Closing Tax Attribute) will be for the account of the Seller, and the Purchaser will promptly pay to the Seller any such refund or credit.

(f) To the extent not inconsistent with the provisions of this Section 9.2, the procedures of Article 8 will apply in the case of any claim for Losses related to Taxes.

Section 9.3 Cooperation. Each of the Seller and the Purchaser agree that it will, and will cause its respective Affiliates to:

(a) provide assistance to the other party as reasonably requested in preparing and filing Tax Returns, responding to Tax Contests and recovering any VAT;

(b) make available to the other party as reasonably requested all information, records and documents relating to Taxes concerning the Acquired Company and the Business; and

(c) retain any books and records that could reasonably be expected to be necessary or useful in connection with any preparation by any other party of any Tax Return or for any Tax Contest or other examination or Proceeding relating to Taxes. Such books and records will be retained until the expiration of the applicable statute of limitations (including extensions thereof). Thereafter, the Purchaser will not dispose of any such Tax Returns, books and records unless it first offers in writing such Tax Returns, books and records to the Seller and the Seller fails to accept such offer within sixty (60) days of it being made.

Section 9.4 No Code Section 338 Election. Neither the Purchaser, the Acquired Company, nor any of their Affiliates will, with respect to the transactions contemplated by this Agreement, make any election under Section 338 of the Code, other than an election under Section 338(g) of the Code by the Purchaser with respect to the Acquired Company; provided, however, that the Purchaser shall not make any election under Section 338(g) of the Code with respect to the Acquired Company without the prior written consent of the Seller, which consent shall not be unreasonably withheld, conditioned or delayed. For purposes of this Section 9.4, the Seller shall not be deemed to unreasonably withhold, condition or delay consent if such consent may have the effect of increasing the Seller's indemnification liability under this Agreement or otherwise result in a Tax cost or other cost to the Seller that is not reimbursed by the Purchaser or its Affiliates.

ARTICLE 10 EMPLOYEE MATTERS

Section 10.1 Employees.

(a) At least five (5) Business Days prior to the Closing Date, the Purchaser or its Affiliates will extend a written offer of employment to the active Employees, such offer to be on terms and conditions, including pay, position, responsibility and benefits, that are substantially similar in the aggregate to or better than the terms and conditions provided to such US Employees immediately prior to the Closing Date. With

respect to inactive Employees, the Purchaser will extend a written offer of employment on same terms and conditions as similar Employees of the Purchaser when such inactive Employee is ready to return to active status; provided however, that this obligation shall not extend beyond December 31, 2010. In addition, Purchaser, the Acquired Company or a Purchaser Affiliate shall extend a written offer of employment to the employees of Seller Affiliates set forth on Schedule 10.1(a) on same terms and conditions as similar Acquired Company Employees. An active Employee shall be deemed to have accepted an offer of employment from the Purchaser if he or she presents himself or herself as available for active employment at his or her then applicable place of employment on the first Business Day immediate following the Closing Date (or, in the case of an active Employee who is absent from work on the Closing Date due to vacation, holiday or temporary illness, the first Business Day following the Closing Date that such active Employee is scheduled to return or is fit to return to active employment) and executes commercially reasonable Purchaser employment documents for its new employees.

(b) Each (i) Acquired Company Employee and (ii) Employee who accepts the offer of employment extended by the Purchaser or its Affiliate pursuant to Section 10.1(a), will be referred to in this Agreement as a “Transferred Employee”. The Purchaser agrees to assume, or to cause the appropriate Affiliate of the Purchaser to assume, all Liabilities with respect to the Transferred Employees which accrue following the Closing Date. The Seller may terminate the employment of any Employee who does not become a Transferred Employee on the Closing Date.

(c) Through December 31, 2010 (the “Continuation Period”), the Purchaser or its Affiliates will provide the Transferred Employees with employee benefits (including but not limited to welfare benefits, severance and retirement benefits) that are substantially equivalent to, and no less favorable as a whole than, those benefits provided to such Transferred Employees immediately prior to the Closing. During the Continuation Period, the Purchaser will continue to provide those former employees of the Business who left employment prior to the Closing and who retain a benefit in any applicable Seller Plan (the “Transferred Former Employees”) and their dependants, beneficiaries and joint annuitants, with employee/retiree benefits that are substantially equivalent, and no less favorable than, the benefits to which such Transferred Former Employees were entitled under the Seller Plans in effect immediately prior to the Closing.

(d) Notwithstanding anything else in this Section 10.1, all Transferred Employees in the United States shall be employees-at-will of the Purchaser.

(e) On or within five (5) Business days after March 31, 2010, the Seller shall notify the Purchaser of the gross amount payable to eligible Employees, on a per employee basis, for bonuses for 2009 performance and all management or sales incentive plan, stay bonus or retention bonus program or agreement payments, in each case that are or would have been due and payable to an Employee if such Employee were to have remained an employee of the Seller or an Affiliate of the Seller through March 31, 2010 (the “Bonus Payments”). Upon the next payroll disbursement to Employees thereafter, the Purchaser shall pay to each eligible Employee who is still an Employee of the Business at such time such Employee’s relevant portion of the Bonus Payments, as notified by the Seller, less any withholdings and deductions therefrom required by applicable Law. The Seller shall reimburse the Purchaser in an amount equal to the Bonus Payments one Business Day prior to the payment to eligible Employees.

(f) The Purchaser agrees that (i) all unpaid accrued vacation and sick time as of the Closing Date shall be the Purchaser’s responsibility and shall be

recognized by the Purchaser under its policies to the extent not paid by the Seller on or before the Closing Date and (ii) to the extent that the Seller is required by applicable Law or the terms of any Seller Plan to make any payment to any Transferred Employee for any unpaid accrued vacation or sick time as of the Closing Date in connection with the consummation of the transaction, the Purchaser agrees to promptly reimburse the Seller for the amount of such payment, but only to the extent that the Liabilities described in (i) and (ii) above are properly reflected on the Final Closing Net Working Capital.

Section 10.2 Defined Benefit Plans.

(a) Effective as of the Closing Date, the Transferred Employees will no longer participate in the Chemtura Corporation Retirement Plan (the “Pension Plan”), and the Seller will have taken all such action prior to the Closing Date as may be required to achieve this result. Effective as of the Closing Date, the Purchaser will establish a replacement defined benefit pension plan (the “New Defined Benefit Plan”) intended to be qualified under Section 401(a) of the Code, and a related trust intended to be exempt from taxation under Section 501(a) of the Code, for the benefit of the Transferred Employees, the terms of which plan and trust will be substantially identical to the terms of the Pension Plan. The Purchaser agrees to apply for, and to take all actions necessary to secure, as soon as practicable after the Closing Date, a determination letter from the IRS to the effect that the New Defined Benefit Plan is qualified under the applicable provisions of the Code. The Purchaser will recognize the service of the Transferred Employees with the Seller or any of its Affiliates prior to the Closing Date for all purposes under the New Defined Benefit Plan.

(b) As soon as practicable following the date of this Agreement, the Seller will cause its actuaries to determine, effective as of the Closing Date and in accordance with the requirements of ERISA and Section 414(1) of the Code, an amount of assets of the Pension Plan (the “Plan Assets Amount”) equal to the present value of benefits accrued to the Closing Date for all Transferred Employees, determined as if the Transferred Employees terminated employment with the Seller as of the Closing Date and with regard to only those benefits to which the Transferred Employees would be eligible based on their age and service as of the Closing Date. The Plan Assets Amount that will be transferred to the New Defined Benefit Plan will be the amount which would be allocated to Transferred Employees if the Pension Plan were terminated as of the Closing Date and assets were allocated to participants in accordance with Section 4044 of ERISA using the assumptions and methodology of the PBGC for plan terminations as of the Closing Date and such other reasonable assumptions not specified by the PBGC and determined by Seller’s actuary.

(c) As soon as practicable after the Seller’s actuaries determine the Plan Assets Amount, the Seller will cause the transfer of an amount of cash equal to the Plan Assets Amount from the Pension Plan to the New Defined Benefit Plan, together with interest on such Plan Assets Amount at the prime rate of Citibank as of the Closing Date from the Closing Date to the date of transfer. Benefit payments to Transferred Employees (or their beneficiaries) in pay status will continue to be made from the Pension Plan following the Closing Date and until the date of transfer. Any such payments, adjusted for applicable interest, will be deducted from the Plan Assets Amount. Following the date of transfer, the Purchaser will assume all Liabilities of the Seller and its Affiliates under the Pension Plan with respect to accrued benefits of the Transferred Employees, and the Seller and its Affiliates will have no further Liability to the Purchaser or any Transferred Employees with respect thereto following the date of transfer.

Section 10.3 Defined Contribution Plan.

(a) Effective as of the Closing Date, the Transferred Employees will no longer participate in the Chemtura Corporation Employees Savings Plan (the “Savings Plan”), and the Seller will have taken all such action prior to the Closing Date as may be required to achieve this result. As of the Closing Date, the Seller will cause each Transferred Employee to be one hundred percent (100%) vested in his or her account balance.

(b) After the Closing Date, the Purchaser will establish or provide the Transferred Employees with a new savings plan intended to be qualified under Sections 401(a) and 401(k) of the Code, which shall provide (i) for immediate eligibility for participation for each Transferred Employee who participated in the Savings Plan immediately prior to the Closing Date, and (ii) vesting and eligibility provisions that are no less favorable than those of the Savings Plan as in effect immediately prior to the Closing Date, applied by aggregating service with the Seller and its Affiliates prior to the Closing Date with service with the Purchaser and its Affiliates on and after the Closing Date. The Seller and the Purchaser agree to cooperate fully with respect to the actions necessary to effect the transactions contemplated in this Section 10.3, including the provision of records and information as each may reasonably request from the other.

(c) With effect from the Closing, the Purchaser shall cause its savings plan established pursuant to Section 10.3(b) above to accept rollovers of distributions to Transferred Employees from, and direct rollovers elected by Transferred Employees from, the Savings Plan, including any note evidencing a loan to any Transferred Employee under the Savings Plan.

Section 10.4 Welfare Arrangements. Subject to Section 10.1(b) above, to the extent that any medical, dental, hospitalization, life or other similar health, welfare or insurance benefits are provided to Transferred Employees through one or more Seller Plans (the “Welfare Plans”), the Purchaser agrees to designate or establish, effective as of the Closing, one or more benefit plans, programs or arrangements for the purpose of providing such benefits to Transferred Employees. The Purchaser will cause such benefit plans, programs or arrangements to (i) waive any preexisting condition limitations for conditions covered under the applicable Welfare Plans available to the Transferred Employees immediately prior to the Closing and any applicable waiting periods, and (ii) credit Transferred Employees with any deductible and out-of-pocket expenses incurred by such employees and their dependents under the Welfare Plans during the portion of the current year preceding the Closing Date for purposes of satisfying any applicable deductible or out-of-pocket requirements under any similar plan, program or arrangement in which such employees may be eligible to participate after the Closing Date. With respect to aggregate lifetime maximum benefits available under the Purchaser’s welfare benefit plans, a Transferred Employee’s prior claim experience under any of the Welfare Plans will not be taken into account. Effective as of the Closing Date, the Transferred Employees (and their dependants) will no longer participate in the Welfare Plans and the Seller will have taken all such action prior to the Closing Date as may be required to achieve this result. The Purchaser shall be responsible for making tuition reimbursements or adoption assistance payments to any Transferred Employees who (i) obtained all necessary approval under the applicable tuition reimbursement plan or adoption assistance plan of the Seller and its Affiliates prior to the Closing Date, and (ii) satisfy all necessary requirements for reimbursement under such plans after the Closing Date.

Section 10.5 WARN Act. The Purchaser and the Seller agree to cooperate in good faith to determine whether any notification may be required under the WARN Act as a result of the transactions contemplated by the Agreement and, if such notices are required, to provide such notice in a manner that is reasonably satisfactory to each of the Purchaser and the Seller.

Section 10.6 No Third-Party Beneficiaries. Nothing contained in this Agreement, expressed or implied, is intended to confer upon any Employee any benefits under any employee benefit plan, fund or program including severance benefits or the right to employment or continued employment with the Purchaser or any Affiliate of the Purchaser for any period by reason of this Agreement. In addition, the provisions of this Agreement, in particular this Article 10, are for the sole benefit of the parties hereto and their respective Affiliates and are not for the benefit of any third parties.

Section 10.7 Negotiations with Employees. To the extent required by applicable Law, the Seller and, on request by the Seller, the Purchaser, will (or will cause their applicable Affiliates to) notify the Employees or their representatives (including any relevant works council or trade union) of the transactions contemplated by this Agreement and will thereafter enter into and properly conduct consultations with the Employees and/or their representatives, all as required by Law and/or any applicable collective bargaining agreements.

ARTICLE 11 ENVIRONMENTAL MATTERS

Section 11.1 Indemnification by the Seller. Notwithstanding anything to the contrary contained in this Agreement, and subject to the limitations expressly set forth in Sections 11.2 and 11.3, the Seller shall indemnify and hold harmless the Purchaser Indemnified Parties from and against any and all Losses incurred by the Purchaser Indemnified Parties relating to or resulting from:

(a) any Unknown Environmental Liability (“Unknown Environmental Liability Losses”); and

(b) any Known Environmental Liability (“Known Environmental Liability Losses”).

Section 11.2 Survival.

(a) The indemnity set forth in Section 11.1(a) shall expire on the seven (7) year anniversary of the Closing Date (the “Unknown Environmental Liability Indemnity Period”); provided only, however, that if any Purchaser Indemnified Party provides an Environmental Claim Notice in respect of a particular Unknown Environmental Liability within the Unknown Environmental Liability Indemnity Period, the indemnity set forth in Section 11.1(a) shall survive until resolved with respect to Losses relating to or resulting from that Unknown Environmental Liability until the nine (9) year anniversary of the Closing Date (the “Unknown Losses Termination Date”). Any Unknown Environmental Liability Losses relating to or resulting from an Unknown Environmental Liability that is not the subject of an Environmental Claim Notice issued prior to the expiration of the Unknown Liability Indemnity Period shall be deemed to constitute Assumed Liabilities with effect from the expiration of the Unknown Environmental Liability Indemnity Period and the Seller shall have no Liability under this Agreement for such Losses thereafter. In no event shall the Seller have any Liability for any Unknown Environmental Liability Losses that are incurred, paid or payable at any time after the Unknown Losses Termination Date, whether or not the relevant Unknown Environmental Liability was the subject of an Environmental Claim Notice issued prior to the expiration of the Unknown Environmental Liability Indemnity Period, and any such Losses shall be deemed to constitute Assumed Liabilities with effect from the Unknown Losses Termination Date.

(b) The indemnity set forth in Section 11.1(b) shall expire on the four (4) year anniversary of the Closing Date (the “Known Environmental Liability Indemnity Period”) provided only, however, that if any Purchaser Indemnified Party provides an

Environmental Claim Notice in respect of a particular Known Environmental Liability within the Known Environmental Liability Indemnity Period, the indemnity set forth in Section 11.1(a) shall survive until resolved with respect to Losses relating to or resulting from that Known Environmental Liability until the five (5) year anniversary of that Environmental Claim Notice (such anniversary date in respect of that Known Environmental Liability being the “Known Losses Termination Date”). Any Known Environmental Liability Losses relating to or resulting from a Known Environmental Liability that is not the subject of an Environmental Claim Notice issued prior to the expiration of the Known Liability Indemnity Period shall be deemed to constitute Assumed Liabilities with effect from the expiration of the Known Environmental Liability Indemnity Period and the Seller shall have no Liability under this Agreement for such Losses thereafter. In no event shall the Seller have any Liability for any Known Environmental Liability Losses that are incurred, paid or payable at any time after the Known Losses Termination Date for the relevant Known Environmental Liability, whether or not the relevant Known Environmental Liability was the subject of an Environmental Claim Notice issued prior to the expiration of the Known Environmental Liability Indemnity Period, and any such Losses shall be deemed to constitute Assumed Liabilities with effect from such Known Losses Termination Date.

Section 11.3 Limitations on Liability.

(a) Shifting of Responsibility for Known Environmental Liability Losses. Subject to Section 11.2(b), the amount in respect of which the Seller shall be liable to indemnify and hold harmless the Purchaser Indemnified Parties pursuant to Section 11.1(b) shall be limited as follows:

(i) The Seller shall indemnify and hold harmless the Purchaser Indemnified Parties from and against one hundred percent (100%) of any and all Known Environmental Liability Losses relating to or resulting from a Known Environmental Liability that is the subject of an Environmental Claim Notice issued prior to the one (1) year anniversary of the Closing Date;

(ii) The Seller shall indemnify and hold harmless the Purchaser Indemnified Parties from and against seventy-five percent (75%) of any and all Known Environmental Liability Losses relating to or resulting from a Known Environmental Liability that is the subject of an Environmental Claim Notice issued after the one (1) year anniversary of the Closing Date but prior to the two (2) year anniversary of the Closing Date, and the remaining twenty-five percent (25%) of such Known Environmental Liability Losses shall be deemed to constitute Assumed Liabilities;

(iii) The Seller shall indemnify and hold harmless the Purchaser Indemnified Parties from and against fifty percent (50%) of any and all Known Environmental Liability Losses relating to or resulting from a Known Environmental Liability that is the subject of an Environmental Claim Notice issued after the two (2) year anniversary of the Closing Date but prior to the three (3) year anniversary of the Closing Date, and the remaining fifty percent (50%) of such Known Environmental Liability Losses shall be deemed to constitute Assumed Liabilities;

(iv) The Seller shall indemnify and hold harmless the Purchaser Indemnified Parties from and against twenty-five percent (25%) of any and all Known Environmental Liability Losses relating to or resulting from a Known Environmental Liability that is the subject of an Environmental Claim Notice issued after the three (3) year anniversary of the Closing Date but prior to the four (4) year anniversary of the Closing, and the remaining

seventy-five percent (75%) of such Known Environmental Liability Losses shall be deemed to constitute Assumed Liabilities;

(v) Mitigation. Subject to the terms and conditions set forth herein, the Purchaser shall, and shall cause each of the Purchaser Indemnified Parties to, use reasonable efforts to mitigate any Environmental Losses with respect to which it may be entitled to seek indemnification pursuant to this Article 11. Such efforts by the Purchaser shall include, without limitation, prompt notice to the Seller of any facts constituting the basis of any Environmental Claim, as defined in Section 11.4(a), and reasonable actions to limit the extent or duration of any Environmental Losses until such time as the Seller accepts responsibility for the resolution of such Environmental Claim pursuant to Section 11.4.

(b) Conditions. In no event shall the Seller be obligated to indemnify Purchaser Indemnified Parties pursuant to this Article 11 for Known Environmental Liability Losses or Unknown Environmental Liability Losses (collectively "Environmental Losses"), and such Environmental Losses shall be deemed to constitute Assumed Liabilities, unless Environmental Losses for which indemnification is sought relate to: (i) a Proceeding, third-party claim filed in any court of competent jurisdiction ("Third Party Environmental Claim"), or Judgment; or (ii) any requirement of Environmental Law, Environmental Authorization, or Governmental Authority acting pursuant to Environmental Law in existence on or before the Closing Date and applicable to the operation of the Business, the Purchased Assets, or the Owned Real Property on or before the Closing Date and imposing or requiring an affirmative response, action or obligation on the Purchaser. The Seller shall have no obligation to indemnify Purchaser Indemnified Parties pursuant to this Article 11 for any Environmental Losses that arise out of any "Phase II environmental site assessments (ESAs)" (as that term is described in the ASTM E 1903-97 Standard Guide for Environmental Site Assessments: Phase II Environmental Site Assessment Process) or any other invasive investigation, sampling or monitoring of environmental media conducted by Purchaser or the Purchaser Indemnified Parties (collectively an "Environmental Investigation") that is not: (i) required by applicable Environmental Law or Law in existence on or before the Closing Date (including any such requirement of Environmental Law or Law relating to any maintenance, repair, renovation or expansion activities); or (ii) required by any Proceeding, Environmental Authorization, Judgment, Governmental Authority or Third Party Environmental Claim applicable to the operation of the Business, the Purchased Assets or the Owned Real Property. The Seller shall have no obligation to indemnify the Purchaser Indemnified Parties pursuant to this Article 11 for any Environmental Losses that arise out of any report or notice to any Governmental Authority or third party regarding any Release of Hazardous Materials or the results of any Environmental Investigation conducted by Purchaser or a Purchaser Indemnified Party except to the extent such report or notice is required by Law, Environmental Laws, Environmental Authorization or Governmental Authorization. The Seller shall have the unilateral right to raise reasonable objections and defenses to any alleged requirement of Law, Environmental Law, Environmental Authorization, or Governmental Authority acting pursuant to any Environmental Law, including, without limitation, any obligation to provide any report or notice to any Governmental Authority or to perform any environmental investigation or Remediation, and the Purchaser shall ensure that its actions under this Article 11 will not in any way prejudice such rights.

(c) Scope of Seller Response Obligations. The Seller shall have no obligation to indemnify Purchaser Indemnified Parties pursuant to this Article 11 for any Environmental Losses, and such Environmental Losses shall be deemed to constitute Assumed Liabilities, that arise out of: (i) a change in use (including any shutdown of the

Taft facility, but excluding change in activity levels for current uses) by the Purchaser of any Owned Real Property in a manner that changes the Purchaser's obligations under any Environmental Law impacting the Environmental Losses; (ii) a change in Environmental Law after the Closing Date; or (iii) a new obligation under Environmental Law that arises out of a change in operations or increase in production by Purchaser after the Closing.

Section 11.4 Procedure for Indemnification For Environmental Losses.

(a) If the Purchaser seeks indemnity under this Article 11 (an "Environmental Claim"), it will give written notice (an "Environmental Claim Notice") to the Seller. The Environmental Claim Notice must set forth with reasonable particularity (to the extent then known) the nature of the condition or event giving rise to the Environmental Claim and, if known, the estimated amount of any Losses incurred or reasonably expected to be incurred by the Purchaser Indemnified Parties. The Purchaser shall provide the Seller with copies of sampling data, environmental reports, proposals and correspondence in the possession of the Purchaser relevant to the Environmental Claim. If the Purchaser seeks indemnity under this Article 11, the Purchaser will promptly provide the Seller with an Environmental Claim Notice as soon as the Purchaser is in possession of sufficient facts constituting the basis of an Environmental Claim, but in no event greater than thirty (30) calendar days after the relevant Purchaser Indemnified Party has received such facts or any notice of a third party claim or Proceeding. The Purchaser will include in the Environmental Claim Notice the facts constituting the basis for such Environmental Claim Notice and details of the amount of the damages claimed or other action required to resolve the Environmental Claim; provided, however, that no delay or deficiency on the part of the Purchaser in so notifying the Seller will relieve the Seller of any Liability under this Agreement except to the extent such delay or deficiency prejudices or otherwise adversely affects the rights of the Seller with respect thereto.

(b) Subject to the terms of this Section 11.4, the Seller shall have the right, by written notice to the Purchaser (a "Control Notice"), to conduct, direct, manage, implement and control the resolution of any Environmental Claim for which the Seller has greater than fifty percent (50%) of the indemnification obligation under this Article 11, including the right to raise timely and reasonable objections and defenses to any obligations imposed on the parties under any Law, Environmental Laws, Environmental Authorization, or Governmental Authorization, (any such Environmental Claim the subject of a Control Notice being hereinafter an "Environmental Response Action"), so long as the Seller does so in a commercially reasonable manner. The Seller shall comply with the requirements and procedures contained in this Section 11.4 with respect to all Environmental Response Actions. The election of the Seller to assume the defense of an Environmental Claim shall not be deemed an admission by the Seller that the Environmental Claim is within the scope of or subject to indemnification under this Article 11.

(c) The Seller shall be entitled to participate, with its own counsel and at its own expense, in the defense or conduct of any Environmental Claim that is not the subject of an Environmental Response Action.

(d) All Environmental Response Actions that require the assistance of an environmental consultant, shall be performed by a third-party environmental consultant reasonably acceptable to the Purchaser. Any consultant retained by the Seller in connection with an Environmental Response Action must hold and maintain insurance of the types and amounts that are customary in the industry and the Purchaser and the relevant Purchaser Indemnified Parties shall, to the extent possible without increasing the costs of such insurance, be added as additional named insureds on such policies.

(e) In respect of an Environmental Response Action, the Seller shall, as soon as practicable and in no event later than the date that is the earlier of: (i) an applicable deadline under Environmental Laws or of a Governmental Authority; or (ii) thirty (30) days after the Purchaser's receipt of the relevant Control Notice, provide the Purchaser with a written response that provides the following information with reasonable particularity to the extent of Seller's knowledge at that time: (i) the nature of the activities proposed to be undertaken, recognizing that the Seller may not have sufficient information to propose a final response plan to address the matter and that the activities proposed may be limited to additional investigation work; (ii) the identity of the environmental consultant proposed to undertake the action; (iii) the proposed time frame for undertaking the proposed action (including interim milestones to the extent appropriate) and, if appropriate, an estimate of the time frame required before a final response plan can be developed; (iv) the estimated cost associated with such action (to the extent then estimable); and (v) copies of sampling data, environmental reports, proposals and correspondence in the possession of the Seller relevant to the subject matter (each such notice, an "Environmental Response Action Proposal").

(f) The Purchaser shall, as soon as practicable and in no event later than the date that is the earlier of (i) an applicable deadline under Environmental Laws or of a Governmental Authority; or (ii) thirty (30) days after receipt of the Environmental Response Action Proposal, notify the Seller, in writing, that the Purchaser, in whole or in part, approves of ("Approval Notification") or objects to ("Dispute Notification") such Environmental Response Action Proposal, including the selection of the environmental consultant. The Purchaser may object to any Environmental Response Action Proposal only to the extent that it reasonably determines that the Proposal is inconsistent with the terms of Section 11.4(l). Issuance of such Approval Notification shall grant the Seller, its representatives and consultants reasonable rights of access to the relevant Owned Real Property to conduct activities in conjunction with the Environmental Response Action Proposal; provided, however, that the Seller shall provide reasonable prior notice of any dates or times the Seller or its consultants or representatives plan to access the relevant Owned Real Property and shall accommodate the Purchaser's schedule to the extent reasonably practicable. In the event the Purchaser issues a Dispute Notification objecting, in whole or in part, to an Environmental Response Action Proposal, the Purchaser shall include in such Dispute Notification details of its specific disagreement regarding such Environmental Response Action Proposal, including the basis for the Purchaser's determination that the Environmental Response Action Proposal is not consistent with the terms of Section 11.4(l). The Purchaser agrees that its approval of an Environmental Response Action Proposal shall not be unreasonably withheld or delayed. In the event the Purchaser fails to approve or object to the Environmental Response Action Proposal within thirty (30) days after its receipt thereof, the Environmental Response Action Proposal shall be deemed approved.

(g) In the event the Purchaser objects to an Environmental Response Action Proposal or any portion thereof under Section 11.4(f), the Purchaser and the Seller shall thereafter negotiate in good faith in an attempt to reach agreement as to the disputed Environmental Response Action Proposal. In the event the Purchaser and the Seller are unable to resolve the dispute within a reasonable period of time, the parties shall jointly select and retain a mutually agreeable nationally recognized qualified third party independent environmental consultant or expert ("Independent Consultant"): (i) to determine whether the disputed Environmental Response Action Proposal is consistent with the terms of Section 11.4(l); and (ii) in the event the Independent Consultant determines the disputed Environmental Response Action Proposal is not consistent with the terms of

Section 11.4(l), the Independent Consultant shall recommend an alternative Environmental Response Action Proposal that is consistent with the terms of Section 11.4(l). The determination of the Independent Consultant shall be binding on the Seller and the Purchaser. All fees and expenses of the Independent Consultant shall be borne equally by the Purchaser and the Seller.

(h) With respect to any Environmental Response Action, the Seller agrees to provide the Purchaser with the following: (i) copies of all work plans, test results, sampling data, surveys and other data generated by the Seller and its representatives, promptly upon the availability thereof, but in any event, prior to submitting the same to any Governmental Authority; (ii) copies of all material draft reports and final reports, plans and other documents developed with respect to the Environmental Response Action, including any such materials to be submitted to any Governmental Authority prior to any such submission; (iii) an opportunity to meet with the Seller and/or its representatives prior to and following any substantive communications or meetings with any Governmental Authority, (iv) the opportunity to attend and participate in substantive meetings or teleconferences with Governmental Authorities; and (v) an opportunity to timely comment upon the foregoing and any other proposed material determinations or actions relating to investigative, testing and remedial actions and the reporting of the same to any Governmental Authority. The Seller shall provide due consideration to any comments or suggestions provided by the Purchaser. Notwithstanding the foregoing, in no event shall the Purchaser's actions as set forth herein interfere with or compromise the Seller's pursuit of any Environmental Response Action as it deems reasonably appropriate consistent with the terms of this Agreement.

(i) Notwithstanding anything to the contrary in this Agreement, the Seller shall develop and implement the relevant Environmental Response Actions in a manner that does not unreasonably interfere with the existing operations of the Business by the Purchaser at the relevant Owned Real Property, recognizing that the Purchaser shall reasonably cooperate with the Seller to ensure that any Environmental Response Action is implemented consistent with the terms of Section 11.4(l).

(j) The Seller agrees to diligently perform (or direct its consultants to perform) all Environmental Response Actions in a good and workman-like manner in accordance with accepted industry practices and standards in compliance with applicable Environmental Laws and any of the Purchaser's or the Businesses' reasonable site-specific health and safety requirements or policies that are comparable to those which are customary in the industry and which are provided to the Seller prior to initiation of any Environmental Response Action. If the Seller fails to diligently undertake or implement the Environmental Response Action in a good and workmanlike manner in accordance with accepted industry practices and standards and in compliance with its obligations and terms of this Article 11, the Purchaser, following written notice to the Seller and a reasonable opportunity to cure depending upon the nature of the alleged failure, which cure period shall not be less than thirty (30) days following such written notice under any circumstances, shall have the right to conduct, direct, manage, implement and control the relevant Response Action provided the procedures in this Section 11.4 shall be complied with, substituting in each case (other than payment obligations), the Purchaser for the Seller and vice versa.

(k) The Seller shall not agree to any settlement of, or consent to the entry of any Judgment (other than a Judgment of dismissal on the merits without costs relating to an Environmental Response Action) arising from or relating to any Environmental Losses without the prior written consent of the Purchaser, which consent

shall not be unreasonably withheld or delayed, other than a settlement or judgment for solely monetary damages.

(l) With respect to any Environmental Losses for which the Seller has the right to control resolution pursuant to an Environmental Response Plan under this Article 11, the Seller shall be entitled to use the most cost effective response techniques, including risk-based Remediation standards consistent with the current industrial use of the Owned Real Property and utilization of activity and use limitations, institutional controls and engineered barriers, in each case, to the extent (i) authorized by applicable Environmental Law; and (ii) consistent with and that does not unreasonably restrict or interfere with the existing operation of the Business by the Purchaser at the Owned Real Property.

Section 11.5 Taft Air Issue.

(a) The Seller shall perform the actions set forth on Schedule 11.5 before Closing (except as otherwise set forth on Schedule 11.5) or otherwise required to be taken by a Governmental Authority prior to the Closing Date to resolve the Taft Air Issue.

(b) If, at or within the twelve (12) months after Closing, emissions from and operational parameters of Emission Point No. 001-05GP (Thermal Oxidizer UB-1300 Control Device) at the Taft facility continue to be in excess of emission limits or operational requirements established by any Governmental Authorization or Environmental Law, then the Seller shall, within thirty (30) days after presentation of an invoice therefor, reimburse the Purchaser for any costs and expenses incurred by the Purchaser after Closing in performing further repairs, services and maintenance on the Thermal Oxidizer UB-1300 Control Device, up to a maximum reimbursement hereunder of one hundred thousand dollars (\$100,000).

(c) Any penalties or fines assessed for an occurrence of the Taft Air Issue pre-Closing and reported by Seller to a Governmental Authority shall be considered a Known Environmental Liability subject to the limitations on liability in Section 11.3(a). Any penalties or fines assessed for any other occurrence of the Taft Air Issue pre-Closing and not reported by Seller to a Governmental Authority shall be considered an Unknown Environmental Liability, but only to the extent the fine or penalty is assessed within the Unknown Environmental Liability Indemnity Period.

(d) Except as aforesaid in this Section 11.5, Seller shall have no responsibility or liability in respect of the Taft Air Issue, or for any Losses arising from or in connection therewith, after the Closing.

Section 12.2 Amendment. Except as contemplated by Section 5.6, this Agreement may not be amended, supplemented or otherwise modified except in a written document signed by each party to be bound by the amendment and that identifies itself as an amendment to this Agreement.

Section 12.3 Specific Performance. Each of the Seller and the Purchaser acknowledge and agree that the other party would be damaged irreparably in the event of a breach of this Agreement. Accordingly, the parties agree that, prior to the termination of this Agreement

pursuant to Section 7.1, in the event of a breach of the provisions of this Agreement, the non-breaching party shall have the right to seek temporary or permanent injunctive relief, or to enforce specifically the provisions of this Agreement, in any court of competent jurisdiction as may be available under the Laws and rules applicable in such jurisdiction, in addition to any other remedy to which they may be entitled at law or in equity.

Section 12.4 Waiver and Remedies. The parties may (a) extend the time for performance of any of the obligations or other acts of the other party to this Agreement, (b) waive any inaccuracies in the representations and warranties of the other party to this Agreement contained in this Agreement or (c) waive compliance with any of the covenants or conditions for the benefit of such party contained in this Agreement. Except as contemplated by Section 5.6: (i) any such extension or waiver by a party to this Agreement will be valid only if set forth in a written document signed on behalf of the party against whom the extension or waiver is to be effective; (ii) no extension or waiver will apply to any time for performance, inaccuracy in any representation or warranty, or noncompliance with any covenant or condition, as the case may be, other than that which is specified in the written extension or waiver; and (iii) no failure or delay by a party in exercising any right or remedy under this Agreement or any of the documents delivered pursuant to this Agreement, and no course of dealing between the parties, operates as a waiver of such right or remedy, and no single or partial exercise of any such right or remedy precludes any other or further exercise of such right or remedy or the exercise of any other right or remedy. Except as provided in Sections 5.6 and 8.6, any enumeration of a party's rights and remedies in this Agreement is not intended to be exclusive, and a party's rights and remedies are intended to be cumulative to the extent permitted by law and include any rights and remedies authorized in law or in equity.

Section 12.5 Entire Agreement. This Agreement (including the Schedules and Exhibits hereto and the documents and instruments referred to in this Agreement that are to be delivered at the Closing) constitutes the entire agreement between the parties and supersedes any prior understandings, agreements or representations by or between the parties, or either of them, written or oral, with respect to the subject matter of this Agreement. Notwithstanding the foregoing, the Confidentiality Agreement will remain in effect in accordance with its terms as modified pursuant to Section 5.9.

Section 12.6 Assignment, Successors and No Third Party Rights. This Agreement binds and benefits the parties and their respective successors and assigns. No party may assign any rights, or delegate the performance of any of its obligations, under this Agreement, whether by operation of law or otherwise, without the prior written consent of the other parties. Any purported assignment or delegation in contravention of the foregoing shall be void and of no effect. Nothing expressed or referred to in this Agreement will be construed to give any Person, other than the parties to this Agreement, any legal or equitable right, remedy or claim under or with respect to this Agreement or any provision of this Agreement except such rights as may inure to a successor or permitted assignee under this Section 12.6.

Section 12.7 Severability. If any provision of this Agreement is held invalid, illegal or unenforceable, the remaining provisions of this Agreement remain in full force and effect, if the essential terms and conditions of this Agreement for each party remain valid, binding and enforceable.

Section 12.8 Exhibits and Schedules. The Exhibits and Schedules to this Agreement are incorporated herein by reference and made a part of this Agreement. The Seller Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of Article 3. The disclosure in any section or paragraph of the Seller

Disclosure Schedule, and those in any amendment or supplement thereto, will be deemed to relate to each other provision of Article 3.

Section 12.9 Interpretation. In the negotiation of this Agreement, each party has received advice from its own attorney. The language used in this Agreement is the language chosen by the parties to express their mutual intent, and no provision of this Agreement will be interpreted for or against either party because that party or its attorney drafted the provision.

Section 12.10 Expenses. Except as set forth in this Agreement, each party will pay its own direct and indirect expenses incurred by it in connection with the preparation and negotiation of this Agreement and the consummation of the transactions contemplated by this Agreement, including all fees and expenses of its advisors and representatives; provided, however, the Purchaser will bear all notarial and similar fees and expenses incurred in connection with the execution and delivery of any Ancillary Agreement.

Section 12.11 Governing Law. Unless any Exhibit or Schedule specifies a different choice of law, the internal laws of the State of New York (without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of laws of any other jurisdiction) govern all matters arising out of or relating to this Agreement and its Exhibits and Schedules and the transactions contemplated by this Agreement, including its validity, interpretation, construction, performance and enforcement and any disputes or controversies arising therefrom or related thereto.

Section 12.12 Limitation on Liability. **NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT OR ANY ANCILLARY AGREEMENT TO THE CONTRARY, IN NO EVENT WILL ANY PARTY OR ANY OF ITS AFFILIATES BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS, LOSS OF REVENUE OR LOST SALES) IN CONNECTION WITH ANY CLAIMS, LOSSES, DAMAGES OR INJURIES ARISING OUT OF THE CONDUCT OF SUCH PARTY PURSUANT TO THIS AGREEMENT REGARDLESS OF WHETHER THE NONPERFORMING PARTY WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR NOT.**

Section 12.13 Jurisdiction and Service of Process. Except as contemplated by Section 12.3, any action or proceeding arising out of or relating to this Agreement or the transactions contemplated by this Agreement must be brought only in either the Bankruptcy Court, while the Case is pending, or thereafter in any federal or state court located in New York County, New York (each, a "Chosen Court"). Each of the parties knowingly, voluntarily and irrevocably submits to the exclusive jurisdiction of the Chosen Courts in any such action or proceeding and waives any objection it may now or hereafter have to venue or to convenience of forum. Each party to this Agreement may make service on the other party by sending or delivering a copy of the process to the party to be served at the address and in the manner provided for the giving of notices in Section 12.1. Nothing in this Section 12.13, however, affects the right of a party to serve legal process in any other manner permitted by law.

Section 12.14 Waiver of Jury Trial. **EACH OF THE PARTIES KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR THE ACTIONS OF EITHER PARTY TO THIS AGREEMENT IN NEGOTIATION, EXECUTION AND DELIVERY, PERFORMANCE OR ENFORCEMENT OF THIS AGREEMENT.**

Section 12.15 No Joint Venture. Nothing in this Agreement creates a joint venture or partnership between the parties. This Agreement does not authorize either party (a) to bind or commit, or to act as an agent, employee or legal representative of, the other party, except as may be specifically set forth in other provisions of this Agreement, or (b) to have the power to control the activities and operations of the other party. The parties are independent contractors with respect to each other under this Agreement. Each party agrees not to hold itself out as having any authority or relationship contrary to this Section 12.15.

Section 12.16 Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original as against the party that signed it, and all of which together constitute one agreement. This Agreement is effective upon delivery of one (1) executed counterpart from each party to the other party. The signatures of all parties need not appear on the same counterpart. The delivery of signed counterparts by facsimile or email transmission that includes a copy of the sending party's signature(s) is as effective as signing and delivering the counterpart in person.
